McCONNELL—FOSTER WEDDING

The country home of Mr. and Mrs. W. H. Foster was the scene of a joyous occasion, Sunday evening, July 17, 1927, when their youngest daughter Ruth Marie, became the bride of Luther E. McConnell, formerly of Chicago. Rev. E. L. Rippey, an old friend of the family, read the beautiful Bible ceremony underneath a wedding bell designed by Mrs. Jack Curry of Portland, and hung in an arbor of flowers, into which Mrs. Bynington of Newberg, as decorator, had transformed the open verandas. Electric lighted, the fairy court seated two hundred relatives and friends who came from Los Angeles, Walla Walla, Vancouver, Portland, Newberg and Dundee, to witness the ceremonies. Huge banks of Arrowwood, pink rambler roses, pink and white sweet peas, pink gladioli and ferns, formed the canopy and aisles to the altar in the out of door Cathedral.

Mrs. Archer of Portland rendered Mendehill's wedding march, little Bobby Paine acted as Bible bearer, Miss Winona Bynington, beautiful in pink crepe de chine, carrying a bouquet of pink rosebuds and sweet peas, assisted as bridesmaid, little Betty Paine, dainty in green costume, scattered pink rose petals for the bride, who was charming in white silk chiffon over white satin, trimmed in real Irish lace and pearls. A bridal veil and orange blossoms and silverships completed her costume. The bride's bouquet was of white rosebuds and white sweet peas, lilies of the valley and maiden hair fern, tied with satin ribbon and streamers of lace. The groom wore the conventional black Harold Foster, brother of the bride acted as groomsman.

Mrs. J. Howard Paine sang beautifully "I Love You Truly" and "At Dawning."

All members of the brides family were present for the wedding, the first reunion of the family in twelve years.

After the ceremony a short program was rendered. Winona Bynington of Newberg, and Mrs. Bertha Lofstead of Seattle, furnished readings and Mrs. Blythe Owen Crumlett of Chicago and Miss Joyce Archer of Portland, musical numbers.

Refreshments of ice cream, cake and punch were served after congratulations. A display of wedding presents including silver, cut glass, linens, pictures, china, bric a brac, etc., completely covered two long tables and the mantle piece, bespeaking of high esteem in which the family is held in the community that knows them best.

Cooking determines the quality of cottage cheese, explains the dairy division of the experiment station at Corvallis. This curd is slowly heated in a pan of water to 100 degrees or a little better. To tell when it is hot enough a bit of curd is laid on the palm of the hand and pressed with the finger. If not cooked enough it will crush readily and show whey. If too much, it will be tough and sorky. If just right, it will flatten out and then resume its former shape slowly, not rapidly as it will do if rubbery.
