ROD AND GUN CLUB NEWS

The last two weeks have proved very exciting for the local anglers and some of the nicest catches of steelhead taken in a long time have been reported; some of the largest fish taken for many seasons have been weighed in.

Three fish that deserve special attention as Derby Entries were 21½ and 19½ pounders taken in the Sixes River by Clinton Fromm and an 18½ pound one brought in by Grover Tichenor from Elk River.

Many other limit catches have been made in both rivers and also in Floras Creek with most fishing being done at the "falls."

With plenty of fish in all streams all we need now is some rain, not too much, just enough to roll the water a little as it has been a mite too clear the last two or three days.

With the duck season closing at 4 p. m., this Saturday, we expect most of the local gunners to be out blasting away for the last ducks of the season.

Harry Helmken, Reeves Taylor, "Chuck" Brooks and Darwin George left Wednesday evening for a final shoot at Klamath Falls. We wish them good luck and a nice trip.

LANGLOIS HIGH SCHOOL NEWS

(By Gloria Raniele)

The Langlois High School is presenting a three-act farce, "The Tin Hero," at the gymnasium, December 20, Friday. Imagine the comedy that can be wrung from the situation of a fond and adoring mother who exaggerates everything pertaining to her son. She makes mountains out of mole-hills and when her son writes her from France that he saved a lady from drowning, his mother circulates a report that her son is a champion swimmer. As a matter of fact, the son cannot swim a stroke, but when he returns he has to race against a champion swimmer. His sister tries to teach him how to swim but he is afraid of water.
