### Naming the Day

As a holy day and a holiday, Christmas means both prayerful worship and festive merry-making. The holy meaning of the day is expressed in its name.

The Latin name for Christmas translates as the Feast or Birthday of Our Lord. The English Christmas means the Mass of Christ, a meaning which is closely paralleled by the Dutch "Kermis." In German it's "Weihnacht," or sacred night.

The French "Noel" has several possible meanings—news, birthday or a "shout of joy." Whatever the exact origin, there's no question that Noel now means Christmas.

### Christmas Mailing

The advent of December marked the start of one of the biggest races in town—the annual race against time at the Port Orford post office as its Christmas mail rush went into high gear. Postmaster Wilma Stevens noted today.

New reports from Postmaster General John A. Gronowski in Washington to Mrs. Stevens indicate an anticipated nationwide record mail volume for this Christmas season of nearly 12 billion pieces during December.

"Shopping and mailing early benefits everyone, the postmaster observed. "Customers who buy early get the pick of the Christmas stocks; the local economy is aided by the business activity thus created, and everyone—including the postal service—is happy about the additional time that early mailing allows.

"Our employees need public help to run this race against time—and patrons of the Port Orford post office can assist us by shopping and mailing right now and by using ZIP Code in both return and destination addresses." The local ZIP Code is 97465.

The postage rate on Christmas cards this year is 4c. This is for the unsealed greeting cards with only the senders name signed. This card, if undeliverable as addressed, will neither be forwarded nor returned to the sender. Cards with written messages, or sealed cards must have 5c stamps. Cards bearing 5c postage will be forwarded, if necessary, or returned to sender showing reason for nondelivery, if the return address is used. For this reason mailers are asked to use the 5c stamp on cards.
