**Naming Santa**

Santa, the giver of many gifts, is a man of many names, too. While he is becoming almost universally known as Santa Claus, Santa or St. Nick, many European children still wait for the arrival of St. Nicholas.

St. Nicholas was the first of Santa's names and came from a real bishop in the fourth century. A.D. He is said to travel not by reindeer but on horseback, and wears bishop's robes.

Over the years, Santa has gained still other names. In France he's Pere Noel, in Finland Father Christmas, in Germany Kris Kringle, in Russia Father or Grandfather Frost.
