HOME FROM TRIP

Mrs. Bob Morrill is home after an extended trip. She stayed overnight with her sisters, Myrtle Kness and Leona Day at Dallas, and then boarded a plane at Salem for Portland and Los Angeles. From there she flew to Tucson, Ariz. where she was met by a friend, Nancy Reidie, who she hadn't seen for 31 years. During her week's stay they visited Old Mexico, among other places. She returned to her sisters' in Dallas for a few days and then came home by bus.

PLATTS TRAVEL

Mr. and Mrs. Carl Platt took a trip on her birthday. Leaving Friday they went to her sister's, Mr. and Mrs. Wayne Westfall at Eugene and also visited another sister, Mr. and Mrs. Ed Ely. They went to Sweet Home where Mrs. Platt had lived for 14 years

and stayed with a sister, Mr. and Mrs. Harry Hashberger. Mrs. Hashberger made her a birthday cake. It was the first birthday cake she had ever received. They visited old friends and neighbors on Saturday and on Sunday attended services at the Church of Christ on Long Street, where over 250 members were present. It was a happy reunion with long time friends and many remembered teaching their children in Sunday school. On their way home they stopped at Marcola where Mrs. Platt lived as a child and saw the first house she and Carl had built when they were first married. On Sunday they stayed overnight with Ray Platt at Veneta and then came home.

la's Jewelry, and plan on continuing it along with the Myrtlewood shop here. Mr. and Mrs. Harbison have bought a home in Coos Bay.

DINNER GUESTS

Mrs. J. I. Everest and son Bill had dinner with the Roy Mollie family at the Thunderbird Motor Inn on Mother's Day.

MRS. BERGER HONORED

On Sunday, May 2, teachers and Community friends honored Mrs. Jean Berger with an openhouse at the Langlois Fire Hall. This was a retirement and birthday party combined. This June, Mrs. Berger will have completed her nineteenth year of teaching for district 2CJ. Teaching mostly the first and second grades, she has been a very successful and much loved teacher with many of her former students returning to visit her. She always remembered her students' birthdays during the school year and if she couldn't be there always made arrangements for someone to take care of it. Many people in

the community other than students have benefitted from her kindness and thoughtfulness.

Mrs. Berger was a sales lady at the Langlois cheese factory for a number of years and many people remembered the very gracious lady working there. She began teaching the lower grades when Mr. Klinner was principal.

Among those at the open-

house were her granddaughter and grandson from Oregon State, children of her son, Darrell Price who died in August 1974. Her sister and family from Eureka, Calif., Jean Strain from Myrtle Point, and many others signing the guest book.

Assisting with the guest book were Kate Foster, Marian Valentine and Julie Richards. The lovely cake was baked and decorated by Mrs.

Don Valentine. Mrs. Berger also received a wishing well along with the best wishes of the community.
