

Summer Vows Unite Couple

MR. AND MRS. RICHARD GREENE
(Denise Watson)

Denise Watson and Richard Greene, who joined the ranks of newly-wedded Port Orford young people in July, were married before the altar of the First Community Church by Rev. Adrian van Aswegen in a double ring ceremony. Denise is the daughter of Mr. and Mrs. Clyde Watson of Sixes; Greene is the son of Mr. and Mrs. Doyle Greene of Port Orford.

Escorted by her father and given away by both her parents, the bride, a recent graduate of Pacific High School, was surrounded by a bevy of friends in her wedding party. Julie Sharp of Port Orford was her maid of honor;

Second Play Is Underway

Port Orford's Community Theatre will present its second production, "Her Alienated Affections," on the first three Saturdays in November.

Rehearsals have settled into a smooth routine and cast members are playing their roles with great conviction, says director Gloria Priebe, and the courtroom comedy holds a lot of surprises for the audience.

Bill McFarland and Scott Rose play excellent opposing attorneys, trying diligently to convince the jury that their respectful clients should win their case.

Bob Warring takes on a new personality as the poor, but honest, candy store owner Herman Whiffle—as does Carol Sutton, playing his wife Daisy.

Ellen Warring plays the hilariously loud but deaf key witness, and her insulting banter with the constantly sneezing judge, played by Paul Peterson, will keep chuckles rolling long after the play has ended.

Tickets will be on sale each Saturday night at 7:15, with curtain time at 8:15 p.m. General admission will be \$1.50, and 75 cents for children under 12. With a membership card, charter members will be admitted for \$1.25.

Mrs. Priebe says to watch the paper for future pictures and other information. "You'll be surprised as to all the friends and neighbors who are taking an active part in this production."

Sixes Grange To Sponsor Potluck

A 6:30 p.m. potluck dinner will precede the regular 8 p.m. meeting of Sixes Grange tomorrow night, Friday, October 22, at the grange hall. Both events are open to the public.

Auxiliary To Host CB Group

The local firemen's auxiliary will host south coast CB's at the firehall from 1-5 p.m. on Saturday, November 13. The unit will furnish hamburgers, potato salad or chips, coffee, pop and home baked pies—at a price about the same as last year, a spokesman said.

A Halloween costume parade for youngsters from pre-school through the sixth grade will be held at the firehall on Sunday, October 31, from 5 to 6 p.m. Refreshments will be furnished.

Prizes will be awarded for the best costume or makeup for a boy and girl in three divisions: pre-school, first through the third grade, and fourth through sixth.

Three firemen will serve as judges and all youngsters are invited to participate.

State Parks To End Season

The overnight camping season in most Oregon State Parks will end on Saturday, October 30, after a most successful season. Although final overnight camping figures are not available at this time, indications are that there was an increase. Day use figures show that more than 29 million visitors stopped at the parks, up approximately 7 percent over 1975.

An exception to the closure is at Detroit Lake State Park where the campground will remain open through November 27. The camping season usually extends from May through October, but weather is often accountable for a variation in the closing dates, especially in the high altitudes of central and eastern Oregon where cold weather

could make an earlier closing date necessary.

There will be eight overnight camps remaining open throughout the year, with six located along the Oregon coast. Camps remaining open are Fort Stevens, Cape Lookout, Beverly Beach, Jessie M. Honeyman, Bullards Beach, Harris Beach, all along the coast, Valley of the Rogue, located in southwestern Oregon 12 miles south of Grants Pass, between I-5 and the scenic Rogue River, and Champoeg State Park, 7 miles east of Newberg off of US99W.

Generally, the state parks are never closed to the public for day use. In high elevations, however, snow and freezing weather may close access to some areas or require draining water systems.

LANGLOIS COMMUNITY CHURCH NEWS

"We have scheduled Janice Peters, a missionary with African Evangelical Fellowship to be with us this month. She will be speaking to a church breakfast on the 23rd. On the 24th she will be in all the Sunday School classes, and then give a brief testimony during the morning service. After the morning service, we will have a church potluck in her honor so that she can become further acquainted with us," says Pastor Goetch.

"Janice is a graduate of Multnomah, and a classmate of mine. She will be teaching in Africa, but as of press time she has not received her place of work for the Lord. She will be staying with myself and my family on the night of the 22nd, and dates for meals and lodging are open after breakfast on the 23rd. Please contact Ona Smith for scheduling," said the Pastor.

The church is interested in finding out how many in the community would like to be involved in a choir for the Advent Season. If there is a sufficient interest they will consider doing a musical program for the Christmas season. Please contact Pastor or Mrs. Goetch, to register your interest. (Buckets will be furnished for those who say they can't carry a tune.)
