## Pacific Loses To Yoncalla; Player Injuries Reducing Ranks

### Winter Angling At Sixes Mouth May Be Permitted

The Oregon Fish and Wildlife Commission will adopt regulations for 1977 sports angling following a public hearing on Saturday, Oct. 23. Anglers and others with recommendations for change in the regulations can present them to the Commission at the hearing which will begin at 9 a.m. in the Lincoln Building at Portland State University, Southwest Broadway and Market in Portland.

Those unable to attend are invited to send written recommendations to the Commission prior to the hearing. They should be mailed to the Oregon Department of Fish and Wildlife, P.O. Box 3503, Portland 97208.

Department Fish Division staff recommendations call for a number of departures from the regulations in effect this year but most rules would remain the same.

The recommended early and late opening dates for trout in 1977 are April 23 and May 21. Open waters are generally the same as those open this year with a few exceptions.

Setting of regulations for salmon angling in the ocean and in the mouth of the Columbia River, normally adopted with the other angling regulations, will be deferred until March or April next year. The Commission will also consider a few minor changes in the bay clam regulations. Otherwise no change is proposed in rules set last year for angling for ocean food fish and for taking intertidal animals.

Among staff recommendations for changes that would effect the south coast are the following:

**Salmon and Steelhead Regulations**

A new hook regulation to reduce snagging in streams and parts of some bays with runs of salmon and steelhead. Would allow only one hook to be used with a maximum size of 3/8 inch for single hooks and 1/2 inch for double or treble hooks. Would not apply to lures that are buoyant.

### Volleyball Games Go To Brookings

Brookings breezed past Pacific when the girls volleyball teams met at Brookings on Monday, October 18.

The Pirate's varsity team was beaten 15-0, 15-5, while the JV team lost to scores of 15-6, 15-7.

Coach Sally McInturff said that the girls played better this week than when they met Brookings the first time but that the Bruins are a very powerful team, with six wins and no losses for the season. "The girls are working harder this week," the coach said, "in preparation for the remaining matches left to play this season."

The Pirate team traveled to Eugene Tuesday to watch the University of Oregon-Oregon State volleyball match. They hope to gain a little insight on how college volleyball is played.

The Pacific girls' next match is played on their home court against Myrtle Point, Monday, October 25. Game time is 5:30 p.m.

## Blanco Nips Bandon, 7-6

The Blanco Eagles football team is getting to like a 7 to 6 ball game. Helped by Ron Rooks' key defensive plays, they won by this score for the second week in a row. This time the Eagles nipped Harbor Lights' 7th grade Panthers at Bandon's Dave Miller Field on Thursday afternoon, Oct. 21. Playing in cool, overcast weather, they gained their third straight victory in four playing dates.

Co-coach Dave Griffey declared that end Rooks "did an incredible job on defense." Although not the leader in the tackle count, he was "Ronnie on the spot" when it was most important that the Panthers be stopped. In the second quarter, Harbor Lights had put together two first downs and seemed to be marching. But with third down and five on the Panther's 45 yard line, Rooks sacked the passer and immediately thereafter recovered the Bandon punter's fumble on fourth down. This set up Blanco's one scoring drive of 29 yards. With 6:25 to go in the last period, the tall, blond lefty blitzed to cut down the ball carrier on what would have been the game-tying extra point. And with less than two minutes left in the game and Harbor Lights again advancing, Rooks' sharp tackle on a left-end run helped save Blanco from losing in the last moments.

The Eagle's second quarter scoring drive covered the 29 yards in only four plays. Seventh grader Tim Hoover hit the line for a yard. Rooks fought his way off right tackle gaining 8 more. Next Carl Hoover's beautiful block sprung loose quarterback Brad Harper for 15 yards on a keeper sweep. Harper gained 55 yards altogether and was highly praised by Griffey for his play on offense. Finally, Tim Hoover darted to the end zone from the Panther's five and Harper plunged for the game-winning extra point.

The first quarter was a standoff and the second was featured by Blanco's scoring drive. Harbor Lights drove forward for the entire third period even though the Eagles

"We played a hard game physically but fell down on making the best play moves," Pacific coach Pat James remarked after his squad's 12-6 loss to Yoncalla last Friday, "and that literally gave them the game."

James said it was the first time the Pirates had dominated a team and lost the game. "And that made it our worst upset in two years," he added.

Yoncalla scored their winning touchdown on a Pirate fumble in the fourth quarter, after getting on the board in the first period. Pacific scored on a run by Sam McCarrt in the second quarter.

Pacific tallied 15 first downs, 185 yards rushing and 55 passing, lost three fumbles and was charged with 35 yards on four penalties. Yoncalla counted 12 first downs, rushed for 205 yards and passed for 33. They lost 55 yards on three penalties and intercepted one Pirate pass.

Pacific's Mike Morris tallied 138 yards in 24 carries and Robert Yoder carried 14 times for 68 yards. Wayne Everest added 11 yards on seven carries.

Injuries are also taking their toll of the Pacific squad, with wide receivers/defensive backs Mooch Roberts, Paul Klutz and John Masterson out for the season. In addition to that, the squad has dropped from 37 down to 22 players.

Coach James said that Friday's game with Elkton should provide an opportunity to utilize all our players. Elkton has recorded no wins in Big Fir competition.

began the gang tackling that gave them high tackle counts. Matt Goergen led with 17, closely followed by Ricky Jones with 16 and a fumble recovery. Jones' name was unintentionally left out of last week's article although he tied for fourth in total tackles. Following these were Carl Hoover with ten and a fumble recovery; Tim Royal, ten; Don Garnand, Lannie Morgan and Rooks, seven apiece; and Bryce Barklow, six.

Blanco's defense stiffened enough so that it took Harbor Lights three plays to punch the ball over from the four yard line. Lloyd Jarvis scored near the start of the last period. Jarvis was frequently cheered by the Bandon "chain gang" for his ball carrying throughout the contest.

In the last moments, Harper sealed the Eagle's victory by outrunning the Panther defense on another sweep, only to be injured at the end of the play. Behind him in yards gained rushing were Rooks with 20 and Tim Hoover with 10.

Despite the Blanco victory, Harbor Lights led in first downs 9 to 3 and outgained the Eagles from scrimmage by a clear margin. Co-coach Griffey expressed much concern to the Eagles at halftime over their lack of enthusiasm but complimented the work of lineman Allan Wagner after the game.

Eighth grader Dan Hinkle from Ophir is the most recent addition to the Eagle squad. Brian Cody again assisted as manager and has been the only one to help out at North Bend, Michigan Ave., and Bandon. He is reportedly doing most of the managing work at practices together with injured quarterback Robert Ashby. This reporter again thanks Brenda Hoover for her fine help as a spotter for the last three games.
