

Port Orford Police report

July 31

1.) Police responded to a verbal dispute at 13th and Idaho Streets. After contact it was determined to be a possible assault and the case is pending further investigation.

2.) Police located and arrested Micah Haymes on an outstanding arrest warrant for Criminal Mischief II. He was transported to the Curry County Jail and lodged on the warrant.

3.) A local citizen observed several vehicles speed racing on Highway 101 in Port Orford. The citizen signed traffic citations on two people for Careless Driving and Exhibition of Acceleration. They were both issued citations to appear in Municipal Court on the violations.

Note: This is an example of how we all police our community. Sometimes when a violator does not observe police, they feel they can violate laws and get away with it. More community participation in keeping our community healthy and safe is a good example of how we can all help police our community. Remember its up to all of us working together to achieve a safe environment.

Speeder of the week: A vehicle was traveling through Port Orford at 63 MPH in a posted 30 MPH zone.

The driver was darting in and out of traffic and almost struck a pedestrian. Apparently they didn't see a speed limit sign but now they have a piece of paper

that tells them exactly what the speed limit was.

4.) Police located a dog at large in the area of 14th and Oregon Street. It was determined to belong to a female subject who had been given two earlier warnings for permitting a dog to run at large. Apparently not understanding the laws, she was cited to appear in Municipal Court for Dog at Large.

Aug. 1

After an investigation, the child was released to the mother and James Digby was arrested for Second Degree Child Neglect. He was lodged in the Curry County Jail. The case is pending review by the Curry County District Attorney.

3.) Police took a report of a burglary to a storage shed on California Street. It was reported a shed had been broken into and the missing items are described as a compound Miter Saw and a Skill Saw. Please contact Officer Fink with any information.

Aug. 4

Mary E. Taylor passed away on Aug. 2, 2008. She lived in Port Orford just four years and enjoyed every minute of it. She had moved from Pacific Beach in San Diego after living for 52 years in the same home with her husband Paul of 65 years. Mom was born Nov. 4, 1919 in National City. She is survived by four children: Daughter, Wanda and Gary Gonzales of Hayward, Calif. Son, Al and Dian Taylor of Jamul, Calif. Son, Paul and Judi Taylor of Selma, Ore. Daughter, Marie and Black Topping of Port Orford. She was a Grandmother of 10 and Great-grandmother of 12, Great-great-grandmother to 2. One of her first jobs was as a life guard, she rescued over 200. She was a seamstress, quilter, artist in many mediums. She was a great fisherman. A Girl Scout leader for six years. A camper.

At 53 she graduated with an AA in Life Science and Art. She was always very generous. She attended First Community Church and hosted a weekly Stonecroft Bible study in her home. She was much loved and will be missed by many. A favorite passage: Forgive as the Lord forgave you. Colossians 3:13, NIV.

Miss Me - But Let Me Go
When I come to the end of the road
And the sun has set for me,
I want no rites in a gloom-filled room.
Why cry for a soul set free.
Miss me-but let me go.
For this journey we all must take
And each must go alone.

Mary E. Taylor

It's all a part of the Master's plan,
A step on the road to home
When you are lonely and sick of heart,
Go to the friends we know
And bury your sorrows in doing good deeds
Miss me - but let me go.

After Glow
I'd like thememory of me to be a happy one,
I'd like to leave an afterglow of smiles when life is done.
I'd like to leave an echo whispering softly down the ways, of happy times and laughing times and bright and sunny days.
I'd like the tears for those who grieve, today before the sun of happy memories that I leave when my life is done.
