Police report

Port Orford police report May 8

1.)Police performed a welfare check at the request of concerned relatives.

2.) Police are investigating a series of thefts from local businesses.

May 10

1.) Police took a report of a theft from a local business. The issue has been resolved.

2.) Police took a report of harassment from two vehicles passing through town. The incident started as a driving complaint and escalated from there. The issue was a case of mutual road rage.

Neither party decided to press charges.

With traffic volumes increasing, especially for the upcoming holiday, we need to remind ourselves to have patience with the aggravations caused by other drivers. This particular incident was resolved peacefully, and with no one getting hurt. However, many incidents of this type end in tragedy. It is not worth the risk to engage in

aggressive driving behavior.

It would be best to just pull over, or slow down, and allow the offender to go on their way.

May 13

Police assisted the Curry County Juvenile Department on standby to transport a juvenile to a detention facility.

May 14

Police received a report of loud music on Port Orford Loop. Subject contacted, and adjusted the music volume. No further action taken.

Please be aware of the 3-flags safety blitz "click it or ticket" campaign May 18-31 this year. All law enforcement agencies will be participating, with special emphasis on speed, DUII, and seatbelt/child restraint enforcement.

Your local police would like to remind everyone to **be extra careful this upcoming Memorial Day weekend.** Traffic volumes will be higher, and more people will be out and about. Please do your part to make this Holiday weekend a safe one for all of us.

Traffic enforcement activities for this week include 26 citations issued for speeding, with 28 warnings issued for speed as well. Twelve warnings

were issued for seatbelt violations.

One warning was issued for a pedestrian violation, along with 14 warnings for other misc. violations.

OSP seek help in solving hit and run

Oregon State Police (OSP) is asking for the public's help to locate the vehicle and driver involved in a Saturday afternoon injury hit and run crash on Highway 101 just south of the Brookings city limits.

According to OSP Recruit Trooper Jess Oliver, on May 16 at approximately 5:13 p.m. a silver 2007 Jeep four-door with two occupants was northbound on Highway 101 near milepost 358 when a southbound green 1996 Chevrolet Tahoe attempted a u-turn directly in the Jeep's path. The Jeep collided with the right rear of the green Chevrolet Tahoe causing moderate damage to both vehicles.

After impact the green Chevrolet Tahoe was observed by witnesses fleeing southbound without stopping at the scene. A witness reported the suspect vehicle was displaying Arkansas license plate 470 NPK and had obvious right rear damage.
