Police report

May 19
Port Orford celebrated the passing of the Police Levy with true flare.
A noise complaint was investigated and turned out to be an assault situation. While attempting to locate the suspect of the assault, a DUI rollover crash was reported on the Sixes Flat. Officers responded to that location due to an injury being present and the occupants fleeing the vehicle. The driver who had fled the scene matched the description of the assault suspect. The passenger had an active warrant for his arrest from another county and was transported to the Curry County Jail and lodged.
May 21
A transient was contacted in regards to complaints of him harassing local businesses. No charges were filed at the request of the business. Subject given courtesy transport.
May 23
Police received a report of a theft. During the investigation it was determined that due to the violent nature of how the crime was committed that it constituted a robbery. The suspect fled the area and all efforts to contact the individual have so far been unsuccessful. The Police Department will be submitting a warrant request for the individual at the earliest opportunity.
May 24
Police received information regarding possible stolen property being found in the back of a vehicle. The vehicle's owner saw the vehicle being driven without their permission and had it towed. Upon checking the vehicle, they discovered a large amount of property that did not belong to them, and they believed did not belong to the person they had seen driving the vehicle. Police are now in a joint investigation regarding the property with Curry County Sheriff's Office in an attempt to locate the owner(s) of the property and to arrest those responsible for committing the crime.
May 28
Police are investigating a theft from a local business. The item fits exclusively on a high power industrial saw and resembles a standard red gasoline can with a gauge and pump at the top. The container holds 5-10 gallons of fuel. If the item is located, please call your Police Department.

Extrication experts

PON photo by Bob Hergertl

Port Orford Rural Fire and Ambulance volunteers practice the critical task of extricating victims trapped in vehicle accident scenarios. Donna Wilson, state trauma systems coordinator conducted the training Wednesday in Port Orford. Generous citizens donated a car for firefighters to dismantle. Real situations involving entrapment are far too common, and rigorous training likely will save lives. Thanks again volunteers for the many hours you give our community.

Obituary

Alden Wayne Boice
March 25, 1928 - May 22, 2009

Alden Wayne Boice, 81 was born in Bandon March 25, 1928 to Allen H. Boice and Carrie Guerin Boice, and died in Brookings May 22, 2009. Alden was the last of their twelve children. He joined five brothers and six sisters when he and his mother were brought home to Langlois.
Alden attended school in Langlois and when he was just 17 he quit high school to join the U. S. Marines in World War

II. After spending two years in the Marine Corps, he returned to Langlois and received his diploma from Langlois High School. He worked in the logging industry for N.S.P. and also Griffey & Laird. With his brother Jerry Boice and Mort Strain they formed their own B.B.S. logging company.

He married Frances Cornoyer of Bandon on November 5, 1948. She preceded him in death in 1997. Their

daughter, Trudy died in 1968.

He was always interested in boats and racing, and built his first wooden boat in the Boice barn in Langlois. He raced small boats and then hydroplanes winning many races including the Marathon from Gold Beach to Agness setting a record at the time.

His interest in boat building culminated in his building aluminum boats which he designed to be capable of running over the riffles of Rogue River at very high speeds, and in extremely shallow water. He worked with the Berkeley Jet Co. and perfected the Boice Built Boats using the Berkeley Jets. He built the "Klamath Queen" with a capacity for 72 passengers, which his brother Court piloted on the Klamath. Alden's favorite boat was the "Trudy D".

He designed the boats his brother Jerry used in Jerry's Jet Boat business on Rogue River. In 1972, Alden and Bill McNair bought Jerry's Jet Boat passenger business. In 1984 Alden sold out his interest to McNair and had a few years not knowing what to do. Then in 1988 he took a job with the U. S. Forest Service. They were building trails along the Rogue and they needed bridges built to span the creeks. Alden designed and built twelve bridges and worked with high school and college kids who learned a great deal from him.

When he finally quit the Forest Service, he and Frances would go south to the desert and spend winters there. One of his greatest thrills was to see the "Blue Angels" perform and even to meet them personally.

Alden was always proud of his work and took pride in

doing things right. His work ethic was beyond reproach, as was his honesty, self reliance and integrity. He was a true patriot and was proud of his family and his country.

He started working at Cedar Bend Golf Course and spent 18 years there as their greens keeper. On Dec. 5, 1998 he married Kathy Harrington and together they worked at the golf course.

He is survived by his wife Kathy; daughter Aldene McCaw of Lebanon; sons, Greg Boice and wife Maryann and Bill Boice and his wife Bobbie of Gold Beach; step-daughter Lisa Cox and her husband Tom Cox and two sons; grandsons, Rich Boice, Chris Boice, Jed Boice and Zach Boice; granddaughters, Nicole, Sheena, Sarah, and Savannah, and numerous great grand children.. Also surviving are sisters, Dora Autry of Gold Beach and Mary Capps of Bandon; and brother, Allen H. Boice now living in Brookings. Four brothers preceded him in death: Howard, Fred, Court, and Jerry and also four sisters: Edna Baker, Ada Campbell, Hilda Auer and Alma Deets.

Services will be held at 11:00 AM Wednesday, May 27th at Docia Sweet Hall on the Curry County Fairgrounds in Gold Beach. Pastor Doug Jamieson will officiate. Interment will follow at Rogue River Cemetery in Gold Beach. The family suggests memorial contributions be made to the Veterans Flags on 101 in care of Myrtle Grove Funeral Service-Bay Area, 2645 Woodland Dr., Coos Bay, Or 97420.

Services are under the direction of Myrtle Grove Funeral Service-Bay Area, 800-396-3158.
