for expired license plates, and 9 were cited for no proof of insurance.
Others were also cited for driving with a suspended license.
Local residents are reminded to carry their licenses with them, and make sure they have their registration and proof of insurance documents in their vehicles. Officers have no choice but to issue a citation for violation of those rules.
It is a good idea to check your license plate expiration date as well. It is much cheaper to renew the plates than to pay the cost of the citation, and then renew the plates!
We have two contenders for speeder of the week.
The first one is for 70 miles an hour in a 30 mile zone.
The second driver was cited for 65 miles per hour in a 30 mile zone.
This was a senior citizen driving without their driver's license, and no proof of insurance.
The driver stated that they were tired of "following all the slow people."
Please drive safely this summer season. Traffic is heavy, with many people out and about. There are pedestrians and bicyclists, as well as children at play.
Please be careful.
Wallet was located (with all the cash gone) behind a local business.
August 2
A subject was arrested for Driving Under the Influence of Intoxicants.
Traffic enforcement has been heavy for the last couple of weeks. Even though the speed trailer is out, and a decoy patrol vehicle is readily visible, citations have been issued for speed violations.
Ninty-seven citations were issued for speed violations, along with 52 warnings for the same violation. In many cases, additional violations are discovered when speeders are contacted by the police.
Many people don't carry their proof of insurance. Many more don't carry their driver's license with them. Both of these are costly violations in addition to the speed violation.
Six of the drivers were cited
