Obituaries

Mary JoAnn Knapp
February 20, 1949 - October 16, 2009

Mary JoAnn Knapp passed away Friday, October 16, 2009. A light in the lives of all who knew her, Mary will be greatly missed. Mary was born to Joe & Mary Evans February 20, 1949 in Myrtle Point, Oregon. After the untimely death of their mother in 1951, Mary and her older brother Wayne grew up in Redondo Beach, California, but still spent summers with family in the Myrtle Point area. Mary graduated from Mira Costa High School in 1968. She moved back to Oregon indefinitely in 1976. Mary became a permanent fixture on the

Knapp Ranch after marrying Mike in January of 1986. All that knew Mary recognized her magic abilities in the kitchen. She loved nothing more than being surrounded by friends and family and filling their bellies with delicious meals. Mary enjoyed reading, taking walks with her dogs, gardening and nothing brought her more joy than spending time with her two new grandchildren Abby Jane and Colton Joseph. She was also excitedly anticipating the arrival of Tommy & Amy's second daughter due in March.

Mary was preceded in death by her mother, father and brother as well as her surrogate mother Pauline Douglas. She is survived by husband Mike and sister Sharyn Douglas; son Matthew, daughter-in-law Julie and their son Colton; daughter Amy, son-in-law Tommy and their daughter Abby Jane. A memorial fund has been arranged at Chetco Federal Credit Union. A potluck and celebration of her life will be held on Saturday, October 24th at the Langlois Lions Club at 2pm.

Police report

October 2

October 7

Police responded to a reported audible alarm at a local business. Upon arrival, no alarm could be heard. Officers checked the area and found nothing suspicious.

October 10

Police received a driving complaint on Idaho Street.

Officers will be watching the area in case of further problems.

October 11

1.) Officers responded to a local business in response to transients starting a fire in the parking area. The transients were offered a chance by the owner to clean up their mess and avoid charges. However, they did not and are potentially facing several charges including reckless burning.

2.) Police assisted Port Orford ambulance with a call. This turned out to be a medical issue, and the subject was transported to the hospital.

October 12

1.) Officers responded to a harassment and suicide threat call. The situation was resolved peacefully and is being followed up by the proper agencies.

2.) Police responded to a deceased subject at a local residence. We would like to express our sincere condolences to the family.

October 14

Police responded to a report of a subject fleeing a vehicle and leaving it open. Police found nothing suspicious when the vehicle was checked. The owner was contacted later and confirmed that nothing was out of the ordinary with the vehicle.

October 15

Police performed a welfare check at the request of concerned family members. The person was fine.

October 16

Police responded to a report of a person inside a building under construction. The person who reported this incident advised the dispatcher that he would take care of it himself. Police arrived shortly after the initial call. Though a light was on

inside, no person was found in or around the property.

Safety tip: If you find something suspicious, do not attempt to investigate. It is dangerous not only for you but also for officers.

There is also the fact that if a crime has indeed been committed, then you may be responsible for destroying potential evidence and possibly losing the case, thus allowing whoever did it to go free.

Also, if "taking care of it" requires you to trespass on another's property, you could face potential prosecution along with the original suspect. **Traffic activity** was light during this period, with most drivers obeying the speed limits.

One citation was issued for speed, along with many warnings for speed.

Thirty five warnings were issued for speed violations that did not rise to the level of receiving a citation.

Six warnings were also issued for seatbelt violations and 13 warnings were also issued for various equipment violations (broken headlight, tail light out, etc.).

Final arbitration bill: The final bill for the arbitrator's services in the Creighton case (has been received.)

The total bill amounts to \$1482.
