District Attorney
Gilbert L. Hedges

Candidate for second term as district
attorney for Clackamas County.

Voters, I ask your support solely up-
on my record of accomplishment. I
am proud of my record. Here it is:

I have tried damage cases against
Clackamas County amounting to \$31,-
434.10 AND WON EVERY SINGLE
CASE FOR YOU TAXPAYERS!

I have tried fifteen liquor cases and
secured FOURTEEN CONVICTIONS,
a record probably unequalled by any
district attorney in the State of Oregon.

I have tried five important county
and state cases in the Supreme court
of Oregon and have WON EVERY
CASE!

I have prepared over 700 criminal
complaints and indictments, and no
court, high or low, has ever declared a
single one of them faulty or defective.

Last December at the budget meet-
ing \$3000.00 was appropriated to en-
force the dry law. Six months' record
to July 1st, as shown by the county
clerk's semi-annual statement, shows
that after paying all expenses of en-
forcing the law, including deputy's sal-
ary, the fund was absolutely intact and
the county was \$194.53 ahead. Since
that date \$50.00 in additional fines has
been added to the fund.

I have assisted hundreds of boys and
girls in the juvenile department.

The district attorneys of the State of
Oregon have chosen me as their vice-
president and have honored me with
the chairmanship of the committee on
revision of criminal laws of Oregon.

Gilbert L. Hedges.

rect way without fear or favor.

Filling the Silo.

It is not essential that the silo be
filled at one time. Many farmers have
found that it is best to let silage settle
awhile before putting too much on top
of it. Some run the cutter one day and
let it stand the next. If enough cor-
is not ready for filling it entirely it is
very well to wait for another field to
mature.

Hint For Grass Cutting.

Setting the mower knives too low
causes too close cutting of the grass on
lawns, exposing the roots to the sun so
they will be dried up in time of drought.
