

News Notes from BULL RUN

The new lighting fixtures donated by E. P. Osburn of the PEP Co. were installed in the community hall Saturday by L. E. Kealher and V. D. Butler. They rewired circuits and rearranged the wiring and put in 500 watt lighting fixtures. The work will be completed this week. Everyone in the community is well pleased with the newly papered hall, new drapes and now the new lighting system.

The Mesdames Sabra Klingler, Minnie Helms and Mary Phelps motored to Portland where they spent the day shopping and met Lorene Klingler who arrived on the Corvallis special to spend the holidays at home.

Mrs. Charles Klingler spent Tuesday visiting in Portland at the home of Mr. and Mrs. J. Crangroth.

The Bull Run grade school basket ball boys played Parkplace at Oregon City Friday and were defeated 28 to 11. Although the Parkplace boys outsized the home team it was a good game. **Xmas Gifts Made Direct from Kitchen**

Up and down the isles of holiday glitter many a shopper goes looking, buying, trying to get something to please each person on her list, and often times it is after weeks of searching she finds herself with several names left over and no ideas. Oftentimes the answer to that problem is right at home in the kitchen, says Helen Ann Thomas, home demonstration agent.

Nuts, fruit, cookies and home-made candy are acceptable gifts that most rural homes can provide. Nut breads, fruit cakes, plumb puddings can be gaily wrapped to make a welcome gift. Many a thoughtful homemaker starts her planning early in the summer. Jellies and jams, pickles, spiced fruits, canned vegetables, meats and fruits can be wrapped in cellophane to make gifts that appeal to the eye as well as the taste. Recipes for making Christmas cookies and candies may be obtained from the

office of the home demonstration agent in the Federal building, Oregon City.
