Kentucky Floods Win Race With Control Project

An outboard motorboat furnished transportation to these searchers in the flooded downtown section of Middlesboro, Ky., after the town was inundated by February mountain torrents. The flood came before Middlesboro's \$500,000 flood control government project could be completed.

Fair Features Court of Peace

A colorful part of the New York World's fair of 1939 is the foreign nations and federal government zone area where the two-towered Federal building and exhibitions of 62 nations center on a seven-acre Court of Peace. The \$155,000,000 "World of Tomorrow" exposition will open April 30 as the host city makes lavish preparations to entertain millions of visitors during the coming summer months.

How Do You Look While Sitting Down?

If ladies must smoke they should be graceful about it. At least according to models in Mme. Frances Dela Fortrie's Hollywood School of Modeling in Philadelphia. Mildred McCue (left) and Dorothy Mitchell teach in one easy lesson how to become a horrible sitting example. The awkward position of the feet, the stocking not drawn taut, and the clumsy, messy way of lighting a cigarette, combine to detract from personal charm. Pictured at the right is the correct way of sitting, and the graceful way of lighting a cigarette.

Commuters Join N. Y. 'Gas Mask Brigade'

These commuters are part of a dozen who rode into New York city recently from Ardsley, wearing gas masks with which to face the fumes from the train's engine, which they said filled the coach. They wore the gas masks to dramatize their protest against the change of their once steam-driven express into a one-coach gasoline "dinky." The commuters enumerated other grievances. They stated that the train lacks sufficient space, its seats are of black leather instead of plush, the pitch of its whistle is anything but pleasant.

GIRL HOUSE PAGE

Pretty Gene Cox, 13-year-old daughter of Representative Cox of Georgia, proves she is just as adept at wielding a gavel as her father, when she appeared as a page in the house recently. Gene is the first girl to get a job as a congressional page.

Requiem for San Francisco Ferries

The Alameda-Southern Pacific 7:20 Commuters' club performed the final rites as the San Francisco systems went out of business, giving way to the San Francisco-Oakland Bay bridge rapid transit system. Six pallbearers carried a model of the ferry boat Sacramento and tossed it to a watery grave in San Francisco bay.
