## THE CORNERSTONE

“THOSE who laid the cornerstone of representative government in the Federal Constitution, built wisely. Upon that firm base they erected a structure reinforced by the four essentials of democracy—free press, free speech, free assembly, free worship. Liberty has perished where these fundamentals have been abridged or abolished.”—James G. Stahlman, President, American Newspaper Publishers Association.

## Cold, Frosty and Delicious

Do you remember how, as a child, a party just wasn't a party unless you had ice cream? Do such childhood memories even now create little appetite longings for that frosty, flavorsome dish—longings that send you hurrying to the kitchen to make up a batch of your own favorite frozen dessert?

Homemade ice creams and sherbets are more popular than ever now that efficient modern ice cream freezers make quick work of their preparation. (You can freeze smooth, velvety sherbets and ice cream in 5 to 10 minutes flat!) And when the advent of torrid weather calls for something special to encourage appetites made indifferent by the onslaught of heat waves, these delicious treats come into their own!

Here are some simple hints on making freezer ice creams with a collection of brand new recipes for cool, refreshing, frozen desserts—recipes which I've tested:

### Hints on Making Ice Cream Freezer Ice Cream.

1. Follow directions in the recipe.
2. Scald freezing container, dasher and cover before using.
3. Crush or crack the ice finely.
4. Fill freezing container only ¾ full of ice cream mixture, to allow for expansion.
5. Cover tightly.
6. Adjust the dasher so that the handle turns easily and smoothly.
7. Use three parts crushed ice to one part rock salt, arranging in alternate layers.
8. Turn the crank slowly and steadily until turning becomes difficult.
9. When the mixture is frozen (5 to 10 minutes, with a modern ice cream freezer), wipe around the top of the container with a cloth, and remove cover carefully, so that no ice or salt falls into the mixture.
10. Remove the dasher, and pack down the cream with a spoon.
11. Replace the cover, and drain off the water from the freezer.
12. Repack with ice and salt. Cover with burlap bag or heavy paper, and allow to "ripen" for about an hour before serving.

### Strawberry Whipped Cream Ice.

- (Serves 6)
- 1 quart strawberries
  - 2 cups sugar
  - ¼ cup lemon juice
  - 1 pint cold water
  - 1 cup whipped cream sweetened with 1 tablespoon confectioners' sugar

Mash the berries, add the sugar and lemon juice, and let stand for about an hour.

Add the water, and pour the mixture into the freezing container of an ice cream freezer. Assemble the freezer and cover. Pack with a mixture of three parts crushed ice and one part rock salt. Turn the crank slowly and steadily until the mixture thickens (about five minutes). Carefully remove the cover and the dasher, fill the hollow with sweetened whipped cream, cover with wax paper, replace the cover and repack with ice and salt. Let stand for about three hours before serving.

- Lemon Cream Sherbet.  
(Makes about 2 quarts)
- ¼ cup lemon rind (grated)
  - 1 cup cold water

1 cup lemon juice  
4 cups sugar  
2 eggs (beaten)  
5 cups milk  
2 cups heavy cream

Put the freshly grated lemon rind in a saucepan with the cold water. Bring to a boil and strain. To the liquid add the lemon juice and the sugar. Stir well. Beat eggs and to them add the milk and cream. Assemble the freezer and pack with ice and salt. When the freezer is ready, combine the two mixtures for the ice cream, pouring the fruit mixture slowly into the milk and cream. Stir quickly, pour into the freezing container, cover and freeze.

Vividly colorful and no-end exciting is a stunning new bag, belt and glove set designed by Herbert Bienen, in soft white leather embroidered in multi-colored threads to form an intricate all-over pattern that is fascinating to look upon. Note in the picture the smooth tailored lines of the flat bottomed bag, the side insertions of the gay embroidery of the white kid gloves and the matching belt. ## Youthful Styles Growing in Favor

The "little girl" fashions so strongly advocated this season are proving a big success. It's fun to look young and the short swing skirts, the nipped-in-at-the-waist bodices, the perky white pique collars and cuffs and other "fixings" make you look just that. The cunning white straw hats with their ribbon streamers add to the picture of youth. Remember fashion's message is to be young this summer and the shops and stores are filled with raiment that aids and abets the good cause.
