Cheerful Outlook
The game of life looks cheerful when one carries a treasure safe in his heart.—Schiller.

There's a Good Reason You're Constipated!

When there's something wrong with you, the first rule is: *get at the cause*. If you are constipated, don't endure it first and cure it afterward. Find out what's giving you the trouble.
Chances are it's simple if you eat the super-refined foods most people do: meat, white bread, potatoes. It's likely you don't get enough "bulk." And "bulk" doesn't mean a lot of food. It's a kind of food that isn't consumed in the body, but leaves a soft "bulky" mass in the intestines and helps a bowel movement.
If this is your trouble, you should eat a natural "bulk" producing food—such as one as the crunchy, toasted, ready-to-eat cereal—Kellogg's All-Bran. All-Bran is the ounce of prevention that's worth a pound of emergency relief. Eat it every day, drink plenty of water, and "Join the Regulars." All-Bran is made by Kellogg's in Battle Creek.
