TIME WILL TELL

A little boy in a grade-school refused to sew, thinking it beneath the dignity of a 10-year-old. "George Washington sewed," said the principal, "and do you consider yourself better than George Washington?" "I don't know; time will tell," said the boy, seriously.

Front Line Beggar
Captain—Well, what do you want? Tramp—Captain, believe me, I'm no ordinary beggar. I was at the front.
Captain (with interest)—Really? Tramp—Yes, sir, but I couldn't make anybody hear, so I came round to the back.

Father's Lesson
Father—What a boy you are for asking questions. I'd like to know what would have happened if I'd asked as many questions when I was a boy.
Tommy—Perhaps you would have been able to answer some of mine.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength.

Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!
