CAPABLE — EXPERIENCED — WORTHY

There is nothing more precious in our lives than children. They are nearest and dearest to our hearts — the foundation upon which we build our future. Most important in the lives of our children, next to good health, is education. It is our obligation to see that our children have the best education we can possibly give them, that they may be well able to build for themselves a life of health, wealth and happiness.

At this time of the year, our hearts and minds concentrate on the success and benefits our children have received in their 8 or 9 months schooling that soon comes to a close. From the small one room school to the largest university, we choose our teachers with the thought always of capability, experience and character.

The end of school coincides this year with the selecting of a new county school superintendent, a leader for all the teachers of the county. We believe Brenton Vedder, our own Sandy grade school principal, is the man for that job. His accomplishments, no doubt, have many worthy qualities, however Brenton Vedder has proven through his many years of experience as teacher, principal, and as county school superintendent that he is the strongest contender in the race.

During his six years as principal of the Sandy school he has turned many commendable youngsters and has been active in community affairs, proving that he has the interests of the parents at heart as well as the youngsters. He is a member of the Sandy chamber of commerce, the Sandy Sportsmen's association and as member of the I.O.O.F. lodge and principal of the school he has worked untiringly in the Oddfellows' Xmas activities to warm the hearts of thousands of children.

We are assuring Mr. Vedder of our unlimited support and are sure that you will cooperate with us. A vote for Brenton Vedder is a vote for character, experience, kindness, discipline and efficiency.

BRENTON VEDDER

work at Bend Monday after spending a week at home. While here he dug and sold a number of his strawberry plants.

Junior Wolfe has been out of school for several days on account of illness.
