THIS DIAL DOES ALL THE WORK!

WASHES Automatically lifts and drops clothes through suds, scrubbing them gently by a "tumble" action.

Bad Things Come in 'Clusters'

Warfare brings out many new deadly inventions and here is one of the latest. Jacob Baker, of Cleveland, is sending a model of his "cluster" air bomb to Washington officials. Shown here with a one-fourth size model of his bomb, he says the cluster of six small bombs are released from the larger one at pre-determined heights to cause a more effective hit on the target.

France Still Has a Hero

Among conquered France's big problems is the feeding of thousands of children. Here Marshal Petain, French Premier, is welcomed to St. Etienne, by the town's children who look up to him as their national hero and as the man who will in some way provide food. Recently the British blockade has been relaxed to allow some food to enter from the U. S.

America's Best Dressed Ladies

DOVER

Mr. and Mrs. Arthur Holmen, sister and brother-in-law of Mrs. Huntington were visitors at the home of Mr. and Mrs. Huntington last Sunday.

Friday, April 25th, there will be a meeting of the Dover Community club. Mr. Wilcox is planning an unusually interesting entertainment for that evening. Everyone is welcome. There will be another supper following the entertainment.

The children of Dover school are busy preparing for the Easter egg hunt which is to be given in Dover, down on Eagle creek, below Mr. Wilcox's house. Mr. Wilcox says it is a very nice place for such an event, safe and clean. The children are dying their Easter eggs in the basement on the kitchen range, there being all varieties and colors of eggs. Most of all they want to thank Mr. Hil. debrand for his splendid generosity in sending over 50c for the purpose of buying candy easter eggs, which have been bought at Bunnell's Store in Sandy.

Mr. and Mrs. Huntington were visitors in Sandy last Wednesday evening. They also spent the evening at the home of Mr. and Mrs. Guy Wilcox, where they were dinner guests last Friday evening.

families expect to spend a very enjoyable evening at the home of their mother at Canby, Oregon.

The school received the spring tests and keys for grading them last Tuesday. There will be no eighth grade tests for graduation. The passing of eighth grade students will be entirely up to the judgement of the teacher, who passes them on their past merits. This is true throughout Clackamas county.

When you cook rice add one teaspoon lemon juice to each cup of rice. This will keep the rice very white and fluffy.
