

DEEP CREEK

(By Miss Camille L. Slyter)

The Busy Bee Sewing club met at Mrs. Ernie Hoffmeister's, April 10th and then at Mrs. Verne Lewis' April 24th. Both meetings were well attended. The club is making a very attractive quilt. They are also cooperating in making costumes for the graduation program.

The graduation program will be May 15th. The picnic will be May 18, (Sunday).

The eighth grade expects to take part in the exercises at Sandy on May 16th. So it will be a busy week for them.

A monthly birthday party will be given at Mrs. J. Stroup's this coming Saturday. Cards and other games will be played. It is in honor of all those who have birthdays in April.

A party was given at Mr. and

Mrs. Ed Haskin's for the March birthdays. Many people of the community attended. Cards were played. Mrs. Don Erdman won 1st prize for ladies, and Mr. Dan Erdman won 1st prize for men. Mr. Troy Farrington, and Mrs. Verne Lewis won boogie prizes. Refreshments were served.

Last Sunday saw many visitors in Deep Creek. Among them were: Alice Schnell and Gearhart Schwartz, visiting Wilder's. Mr. and Mrs. Henry Anderson visiting their parents, Mr. and Mrs. John Anderson, Mr. and Mrs. Albert Gaydon, and Mr. and Mrs. Harold Lewis, and Mr. and Mrs. Briscoe visiting Lewis'. Mr. and Mrs. Ernie Hoffmeister visiting Caldwell's.

Saturday the little girls of the community, Shirley, La Verne, Lois, Vivian, Barbara, Pat, and Anna May spent a delightful afternoon together, picnicking and hiking in the woods. Returning home they stopped and chatted with Miss Slyter, their teacher.

We are sorry to hear that the

Hodell's have moved. We understand they are moving to Boring, so they won't be so far away. We shall miss them, and we hope they will come to our meetings even though living out of the community.

Mrs. Joanne Anderson has very graciously offered to take any pupils or pre-school children to the vaccination clinic to be held at Sandy grade school, April 29th.

Berry season will be starting soon. Mr. Edwards has already made arrangements for pickers to start the last of the week. We are glad to see Mr. Edwards up and around again.

Mr. and Mrs. Stroup entertained visitors from Washington, Sunday.

Miss Pearl Hoffmeister has gone into Portland for a one or two week's visit. She is visiting Mrs. Caldwell's sister, Mrs. Andy Anderson.

Mrs. and Miss Slyter were guests of Mr. and Mrs. Van Anderson Sunday evening, April 20.

Mr. and Mrs. Burgman have built a new garage.

Miss Opal Hoffmeister is staying at Mr. and Mrs. Ed Maulding's for a short time.

DOVER

The party for Mr. Duley, Sandy High school coach, was a big success, with a large crowd attending. Mr. Duley was presented with one of Barker's Drug Stores best Parker eversharp pencils and a first aid kit. The presentation was made by Leona Updegrave at the supper which was held after two plays which were given by the Dover grade school children. The plays were "The Ghost of Lone Cabin," and "My Cousin from Sweden," which was the same play presented at the Sandy grade school's spring review. Dover people think Mr. Duley is a real man and Dover wanted him to know that they appreciate what he is doing for their school children.

Mr. Huntington has been hired to teach at Fall City, near Sutherland, not in the lower grades as reported in the Sandy Journal but in the 7th and 8th grades.

Dover grade school will take part in the track meet given by the Sandy High school. The school will make use of the bus facilities so generously offered by the high school.

Several grade students are going to attend the smallpox vaccination clinic in Dr. Platner's care at Sandy.

The Dover Community club meeting was attended by a fair crowd, and a good supper was held by the ladies, in the basement. It was enjoyed by all.

DEFENSE BONDS

ON SALE MAY 1

The United States Defense Savings Bonds and Postal Savings Stamps will be placed on sale in the main Post Office at the opening of business on Thursday, May 1, as part of the national effort to make America impregnable.

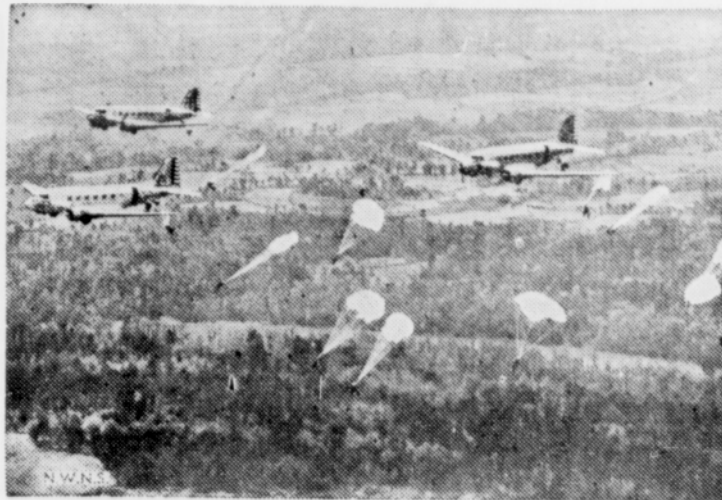

Postmaster Ruby I. Loundree announced today that plans are nearly completed for this community, along with thousands of others from coast to coast, to do its full part at the opening of the savings program. It is expected that the mayor and other civic leaders will be among the first purchasers of these bonds and stamps here.

Postmaster General Frank C. Walker, in a letter to Postmasters throughout the country, said that the help of local postmasters would be "a real service to the country." He transmitted the thanks of Secretary of the Treasury Morgenthau for the help that local postmasters had already given in the sale of United States securities, and also Mr. Morgenthau's thanks in advance "for the co-operation which he knows you will give to this new effort."

The new Defense Savings Bond is similar to the familiar "Baby Bond," of which more than five billion dollars worth have been bought by more than two and a half million Americans since 1935.

A Defense Bond may be purchased May 1, or thereafter, for \$18.75. In ten years, this bond will

be worth \$25.00. This is an increase of 33 1-3 per cent, equal to an annual interest return of 2.9 per cent, compounded semi-annually. Any time after sixty days from the date of purchase, the bond may be redeemed for cash, in accordance with a table of redemption values printed on the face of the bond.

To spread investments widely among all the people in America, a limit of \$5,000 has been set on the amount of these bonds to be bought by any one person in one year. The bonds are in denominations of \$25, \$50, \$100, \$500 and \$1,000, all of which are sold for 75 per cent of their maturity value and all of which mature in ten years.

For larger investors who can afford to purchase up to \$50,000 worth of bonds a year, the Treasury Department has issued two additional kinds of Defense Savings Bonds, but these will be sold only through banks and by direct mail from Washington, D. C. They are intended for associations, trustees and corporations as well as individual purchasers.

For the smaller investor who wants to buy a Government Bond on an easy payment plan, the post office will have a new series of Postal Savings Stamps, at 10c, 25c, 50c, \$1, and \$5. Each purchaser of any Savings Stamp higher than 10c will be given, free of charge, an attractive pocket album in which to paste his stamps until he has enough to buy a \$25 bond or one of higher denomination. Thirty million of these albums are now being prepared.

The cover design of the albums is in color, featuring a United States battleship and an eagle bearing the American flag. On

the back cover is a painting of the Minute Man statue by Daniel Chester French, which symbolizes the American citizen ever alert in defense of his country. The inscription is "America on Guard."

Secretary Morgenthau said that even a boy or girl who saved 10c to buy a Savings Stamp would help the country. He added that "you can safeguard your own money and your own future, while helping the national defense by buying United Savings Bonds now."

AIMES SCHOOL NEWS—

Dog Show

On Friday, April 11, we held our annual Easter Egg Hunt on the school grounds.

Mrs. Nettie Connett planned a nice surprise for us and invited Mr. Richards of Sandy, to bring his trained dog and entertain us. His dog "Two Spot", performed for us, doing twelve or fourteen different tricks. Mr. Richards then took our school picture, which turned out exceptionally well. Mr. Richards gave each scholar a picture of "Two Spot."

Visitors for the afternoon were, Mrs. Merle Martin, Mrs. Tom Paul, Mrs. David Thomas, and Mrs. Ottman, mothers of the children, and Mrs. Al Espenel and Mrs. Roy Sellers of Troutdale.

There were prizes for the one finding the most eggs, and a consolation prize for the one who found only one. We all received balloons from Mrs. Connett and pronounced the whole party a huge success.

Our teacher, Mrs. Abbott was presented with a large chocolate egg, with her name on it.
