## OH, OH!!!

Hey Fred, are yo letting 'em get away with it. Spit on your hands and roll up your pants legs and show 'em what's what in the bean line. ## DIVINE INTELLIGENCE

God, the Father, instituted and perpetuated the divine system of life, health and happiness here on earth, according to certain basic fundamental principles and laws of life and creation for the edification of the human family.

Every action of earth life is prompt and motivated by sensation. Sensation is produced by some invisible influence, foreign to our immediate conscience, brot to bear on some one of the delicate senses of life, seeing, feeling, hearing, tasting, smelling or by the sixth sense of intuition. Sensation begets emotion, emotion begets impulse, impulse begets desire, desire begets action. And personal action modified and graced by divine intelligence of truth and love begets personal salvation and eternal life. Versus the theory and delusion of salvation and eternal life by atonement, thru the blood of Jesus.

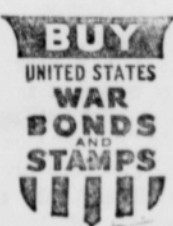

While on the other hand, personal action, disgraced by ignorance, the lack of divine intelligence, begets confusion, hell, death and destruction. Which do you prefer, neighbor, the right way or the wrong way?

If you would know and enjoy the better way the truth and realities of life health and happiness on earth here and now, you must live clean and free from booze, tobacco and other poisonous drugs. You must live clean and free from all the evil dissipations of the flesh man. You must always strive to attain the higher and better things of life. You must always live and manifest the Christ spirit of friendship, truth and love toward God and man. And you must not permit yourself to be gulled by the ignorant delusions or enurchanity, the conglomerations of religious ideas promulgated by the exploiters of the devil, to catch unwary sinners.

For lo, these two thousand years Church-anity has been preaching that Jesus will come back to earth soon to redeem humanity from their cursedness, "But dont you believe it."

When Jesus was on earth, trying to teach people how to live right and enjoy life, health and happiness on earth. The church crucified Him, because He knew more and taught beyond the limitations of the Church. And do you think now that Jesus is foolish enough to come back to earth, and act as scavenger to clean up the devil's wreckage and filth among humanity. No, I don't think so.

Humanity, individually and collectively will rot down in their own confusion and filth of booze, tobacco and prostitution unless they can rise above it. And "Come ye out from among them" by their own efforts thru the divine law of retribution.—JERRY DURHAM.
