Our customers are getting this new Passenger Car Tire that
Outwears Prewar Tires!
It's the new
**B. F. Goodrich
Silvertown**
It's made with a new tire-type rub-
ber—developed and proved by
B.F. Goodrich. Tires built with
this new rubber run cooler, wear
longer and stand up better at high
speeds.
For even longer tire life, a wider,
flatter tread is used. It puts more
rubber on the road—wears better
and more evenly. Gives greater
road contact which means quicker
safer stops.
Stronger cords, and more of them,
are used in the tire body. And
double shock-absorber breaker
strips are used to cushion and dis-
tribute sudden blows.
For longer, even wear, safer driv-
ing, get the best tire value—the
new B.F. Goodrich Silvertown.

SAVE YOUR CHERRIES

The Cherry Fly will soon be here and it is essen-
tial to spray and dust immediately. Get complete
coverage. The following formulas are recommended
by Oregon State Department of Agriculture:

No. 1: Lead Arsenate, 2½ lbs., any commercial
spreader, and enough water to make 100 gallons of
spray. Apply once now. Second application in about
two weeks. If cherry leaf spot evident add 2 gal-
lons lime sulphur on sour cherries or 6 lbs. wettable
sulphur on sweet cherries. Wettable sulphur use will
avoid burning.

No. 2: The following dust mixture may be used:
Lead Arsenate 10 parts, finely divided dusting
sulphur 325 mesh or finer, 90 parts. Repeat as formu-
la No. 1. If heavy rains wash off either repeat
immediately.

No. 3: Rotonone "75" Dust.

No. 4: Rotonone 4% Spray. Water up to 100
gallons.

If you need help, call the county agent or our
field department now. Watch for notification of
appearance of fly.

**Adventist Church
News**

A surprise party and recep-
tion was held last Saturday
night at the home of Dr. and
Mrs. Gardiner for Mr. and Mrs.
Myron Tupper, who were married
recently. Mr. and Mrs. Tupper
received many beautiful and use-
ful gifts and a good time was
enjoyed by all.

The school picnic was held
Sunday at the picnic grounds on
the farm home of Mr. and Mrs.
Cheney of Cherryville. Two live-
ly games of baseball occupied
the time. Everyone contributed

to the delicious picnic lunch. In
the evening pictures were shown
at the school room.

Young people's meetings are
being held at the church on Fri-
day evening for the present.
