"...I'M WILLING TO WAIT FOR MY NEW 'CATERPILLAR' DIESEL"

"I need the 'Caterpillar' D4 I have on order very badly. Sure, I might be able to get another make of tractor just a little sooner because so many other farmers want 'Caterpillar' Diesels, too, but I want more than just a good tractor. I want the top-notch parts and repair service that comes with every 'Caterpillar' track-type tractor.

"The seriousness of a breakdown during my busy season, when a working tractor might mean the difference between profit and loss, is offset by the quick attention I get from my 'Caterpillar' Dealer. That's why I'm willing to wait for my new 'Caterpillar' Diesel."
