Thad's Feet Hurt

After a long, hard day's work on the farm, Thad's idea of how to spend an evening is to take off his shoes, and relax with a mellow glass of beer.

But his missus has other ideas. After being in the house all day, she's all for walking to the village, if it's only for a soda. Likes to see people, catch the latest gossip. But Thad says, no, his feet hurt! Began to cause unpleasantness in Thad's home.

Then Bill Webster comes up with an idea. If Thad takes the missus to

Andy's Garden Tavern, Thad can relax with his glass of beer, and the missus can also chat with all the neighbors there. Each gets his (or her) own way.

Worked, too! In fact, now the missus likes an occasional temperate glass of beer herself. And Thad finds it's pleasanter to enjoy his beer with good companions, rather than alone. In fact, his feet stopped hurting too!
