EAGLE CREEK — Fourteen boys, members of the Eagle Creek 4-H outdoor cooking class, enjoyed an outing at Eagle Fern park Sunday afternoon accompanied by their advisor, Miss Mary Gibson and Al White. The boys consumed 10 pounds of ham, burger and 3 pots of coffee donated by Miss Gibson along with several cakes baked by the boys.

Those attending included Donald, Richard, and Frank Founds, LaVerne Jepson, Hugh Holbrook, Donald Berg, Donald Crandall, Ralph, Jack, and Joe Leedham, Donald Lorin, Wayne Wilson, and Gareth McKay.

Girls Bake Biscuits

Members of the 4-H Girls' cooking class met last Friday afternoon in the school lunchroom and under the direction of Mrs. John Shoemaker prepared baking powder biscuits, goldenrod eggs, and milk shakes. The outdoor cooking class also met on Friday afternoon and, despite the rain, prepared macaroni and cheese, hot dogs and milk.

Mr. and Mrs. D. D. Lake and Ruby and Delbert Lake spent last Sunday visiting Mrs. Lake's mother in Portland.

Mrs. Ola Marshall, Christine Pomeroy and children Bobby and Gloria Jean visited friends in Eagle Creek last Monday. They plan to leave for Loma Linda, California, within a few days to visit Mrs. Marshall's father.

Miss Gladys Coop went shopping in Portland last Saturday.

Due to the rainy weather and bad road conditions, A. J. Kastel was forced to shut down his sawmill near Eagle Creek for several days last week.

Dick Rush was home with the flu last week and his wife is just getting over a short siege of it. Dr. Corrine Chamberlin of Gresham visited her parents, Mr. and Mrs. E. L. Trullinger last Sunday.

Loganberries Planted

Shirley Burnett has almost completed the job of putting up his loganberry canes, being assisted this year by Mr. Weatherly, Mr. Maffey and Bob Saunders.

Jack Saunders recently sold one of his grade guernsey cows for \$200.

Vaudeville Show Planned by PTA

The arrival of spring will bring many things to Sandy and not the least of these is the grade school P.T.A.'s second annual vaudeville show, scheduled for two evening performances April 14th and 15th.

This year, in addition to songs and skits by local talent, the show will include the motion picture version of "Dear Ruth," a comedy which enjoyed a 30-week run on the New York stage in 1946.

The show will be staged in the Sandy Theatre and proceeds will be used to buy athletic and playground equipment for the grade school, according to Mrs. Ivan Barker, who is in charge of arrangements. Other P.T.A. officers working on the program are Mrs. Thomas Scales, Mrs. Robert Duncan, Mrs. M. L. Lee, Mrs. Charles Haworth and Mrs. Mike Goodell.

Dr. Wm. Grashorn, Dentist, Will Open Sandy Office Soon

Dr. William M. Grashorn, Dodge Park, announced this week that he will practice general dentistry in Sandy, beginning in three or four weeks. Dr. Grashorn will open his two-chair X-ray equipped office in the Koch building at the Loop highway and Strause streets as soon as the office is completed and furnished.

Dr. Grashorn has been a practicing oral surgeon in Portland for the past four years and had a general practice there for the preceding 16 years. He says that he is anxious to begin work closer to his home, "and, besides, I like the friendliness of the people here and think that this growing community has great possibilities."

Dr. and Mrs. Grashorn have lived in Dodge Park for the last three years and had a summer place there for 10 years before that. Their son, Bob, is a junior at Sandy high school. A married daughter and one-year-old granddaughter are living at Ashland.

While in Portland Dr. Grashorn specialized in extraction, diseases of the mouth and removal of bone infection. He has been active in the Eastside Commercial Club, Portland Rosarians, in semi-pro baseball and softball and is a past president of the Portland Peninsula Kiwanis Club.
