From where I sit... by Joe Marsh

Who is this Man?

Now and then, in the pages of
the *Clarion*, I run a biographical
quiz, under the heading of "Who
Is This Man?" For instance...
"He was one of the earliest lov-
ers in American history...
"And yet he was too shy to court
a woman outright...
"He came to the New World on
the Mayflower...
"A cooper to repair the beer bar-
rels accompanying the Pilgrims...
"Who is this man?"
I thought that everybody was

stumped. But not Ma Hoskins, who
returned the clipping to me with
"John Alden" on it. She recognized
all the clues—including that refer-
ence to "beer" and "cooper."
For Ma—who's read her history,
knows that beer as the beverage
of moderation, is as old in this land
of ours as the never-ending Ameri-
can search for tolerance which
brought the Pilgrims over to this
country in the first place.
