Mr. and Mrs. George W. Craft and son, Bob arrived in San Francisco from Kahului, Maui, Hawaii, by Pan American clipper and came the rest of the way by

On the return trip west, the Crafts plan on going to Quebec, Canada, and stopping at Niagara Falls, the Badlands, Yellowstone and Glacier national park, and if time permits, will also go to Lake Louise.

They expect to be back in Oregon in August to visit again with the J. G. DeShazer family, with Mr. Craft's family in Eastern Oregon and other friends and relatives before returning to San Francisco to return to Hawaii on September 3.

This will be the first time in eight years that Mr. Craft has visited the Mainland. He was a major in the army medical corps stationed on Okinawa and in Korea when Mrs. Craft and Bob visited the De Shazers last in 1945.
