"I just saw the New—

Frigidaire
Complete Laundry!"

1 saw
 the Frigidaire Fully Automatic
WASHER

— with "Live-Water" action. All you do is put in clothes and soap, set the dial... and forget it! Bills and empties itself automatically. In less than half an hour your clothes have been washed clean, rinsed twice and damp-dried... some ready for ironing! That's only part of the story. You'll have to see this revolutionary new washer yourself.

1 saw
 the New Frigidaire Electric
IRONER

It irons clothes faster, smoother, neater; all without lifting, backache, physical strain. The open ends will take sheets and tablecloths... easily! It has many convenience features, such as selective heat control, foot-treadle action, two ironing speeds, roll-stop for pressing and a 30-inch roll.

1 saw
 the New Frigidaire Automatic
ELECTRIC DRYER

This is just what you've wished for many times, especially on wintry or rainy days. No heavy clothes to hang out or take down. It's automatic. Just put in clothes, set the automatic timer... and forget it. In 15 to 25 minutes a whole washful of clothes has been fluff-dried by circulating "fresh-air-action"—ready for ironing.

DO GO IN! See These New Frigidaire Laundry Appliances. Also see Frigidaire Refrigerators... Electric Ranges... Water Heaters... Home Freezers.
