Two Families Report New Babies; Infants Arrive 10 Minutes Apart

By Mrs. Alan D. Henry
RHODODENDRON — Seems like this week should be declared "Baby Week."
John Christensen went to Portland Monday to bring Mrs. Christensen and their son, John David, Jr., born Oct. 9, home. Mrs. Donald Chapel left the hospital last Saturday with her son, Donald Blaine. She will be in Portland until Saturday and then will return to their home in Rhododendron.

The Christensens baby was born just ten minutes before the Chapels infant arrived. It's the first for both families.

Substitute Postman
Our new postman for one day was Frank Christensen, who was pinch hitting for his brother.

Cards have been received from Mrs. Maude Krebs from Williamsburg, Va., who is attending the national postmasters convention in New York City. From Williamsburg she said she went by boat to Washington and Monday she arrived in New York.

Meetings are held in the morning and sightseeing trips and other entertainment features are planned in the afternoons.

Mrs. Alice Scales, sister to Mrs. Krebs, is taking care of the post office during her absence.

The Alan B. Olsons are vacationing in Utah. They will return

sometime this week.
The Alpine Hut will re-open on October 23. Mr. and Mrs. Fred Walsh, owners, will manage it. At the present time it is being remodeled.

The Mt. Hood Pow-Wowers reported a gala dinner a week ago Tuesday at The Fireside. Anyone interested in knowing more about the Pow-Wowers is invited to see Mrs. Harrison Burton or Mrs. Alan Henry, who are in charge of memberships for this district.

The executive board of the Parent Teachers' Association met at Mrs. Harrison Burton's Tuesday.

Hoop Practice Stated
The first practice of the basketball team will be Tuesday, Oct. 26. Bob Burton, Floyd Reed, Claude Gudge, Don and Cliff Junker, Bill Hoffman, Don Reick and Don Kingsley are on the team.

One of the new members, Tom Hallum, is six feet and a lot of inches tall; Bob Burton says the squad is looking forward to a rematch with the Koch Lumber Company.

Mr. and Mrs. Wallace Scales went to visit his mother, Mrs. Alice Scales, this week-end. But the Log Lodge was so busy that both of the younger Scales had to wash dishes and wait on table.

Mrs. Caroline Wetheroad's son-

in-law and daughter, Mr. and Mrs. L. W. Orsie, visited with her mother here last week.

Many Flowers Bloomed
Mr. and Mrs. Jack Henry drove up from Portland Sunday to spend the day at their home here. They said they were surprised to see how many of their flowers had bloomed in the past week.

Miss Freda Stadler and Jack Henry, Jr., were also visiting at the mountains Sunday.

Cpl. Richard (Dick, as we know him) Reick will be home Thursday on a 30-day leave. He is with the Marines and is stationed at Ocean Side, Calif.

We went in to see the Oregon-USC game in Portland Saturday. "Scalpers" were asking \$25.00 a ticket. We had good seats for the price of \$3.60.

Lots of people left their cars down town and took a cab to the game. Jams of people waited for cabs, but the only way to get there in time is to walk toward the stadium and catch a cab coming back.

If you were a customer of a certain parking lot they will drive you to the game and bring your car back. Getting back to the parking lot is another matter, but it's still better than trying to take a cab to the game.

Just as I was getting news from Marge Hoffman, more news walked in. Mr. and Mrs. Dave North visited with Mrs. Hoffman Monday afternoon.

Mr. and Mrs. A. M. Conway spent the week-end at their home on Henry Creek Ave.

Miss Rita Maher was the guest of Bob Vorhees at the J. H. Kelfer home last week-end.

At Mabery—Rannow Youth Feted at Party

MABERY—Mr. and Mrs. W. E. Rannow entertained at a dinner last Thursday honoring their son, Bill, on his 16th birthday anniversary.

Present were Mr. and Mrs. Hans Koch, Mr. and Mrs. George Rohweder and son, George, Mr. and Mrs. Howard Vaeretti and Barney Krom.

Mr. and Mrs. Fred Bowers received a telephone call last week from their son, Richard, who recently enlisted in the marine corps and is stationed at San Diego.

Mr. and Mrs. W. E. Rannow and son, Bill, attended the homecoming game at Pacific University at Forest Grove last Saturday.

Mr. and Mrs. H. Koch and Mrs. Elizabeth Fritch visited Mr. and Mrs. Patgen at Schaniko last week.

Brightwood Man Ill in Hospital

BRIGHTWOOD—Mr. and Mrs. Joseph Bergman paid a visit last week to Hamilton ("Dutch") Stevenson, who has been seriously ill for several days at the Emanuel hospital in Portland.

Mrs. Art Jonsrud spent last week-end visiting relatives in Portland.

Mrs. Wayne Huddleson is recovering from a recent illness.

Mr. and Mrs. Donald Ellis and Alec Hagberg recently purchased the Brightwood Tavern from Joe Starvaggi. The tavern will remain open for business.

Mr. and Mrs. Samuel Rodman spent last Thursday in Portland on a business trip.

Dover Nimrod Has No Deer Success

DOVER—V. W. Wittenbel went to John Day where he met his party of nine hunters for a week's hunting. He returned home Oct. 8th, none of the hunters having had any success.

Mrs. Albert Finley, who has been ill with flu, is able to be up and around now.

Mr. and Mrs. Roy Foster and son, Kenneth, of Norwood, Ore., visited in the Albert Finley home Sunday.

Mr. and Mrs. W. R. Souders, Gresham, were visitors last Wednesday in the Charles Nelson home.

GEORGE G.

RANDALL

REPUBLICAN CANDIDATE FOR COUNTY COMMISSIONER

CLACKAMAS COUNTY

Honest and fair administration. Born on a farm in Clackamas county. I own and operate where I was born. Attended school at Willamette University. Seven years master Warner Grange. Served two terms in state legislature. Thirty-two years on Central Point School board. Chairman of Canby High board. Fifteen years superintendent of Oregon City M. E. Sunday School. Member of Wool Growers, Wheat Growers Assn. and Dairy Co-op.

From where I sit . . . by Joe Marsh

I'm Glad We're "Different!"

There's a lot of difference of opinion in our county on the best kind of pasture. Some say alfalfa mixed with brome grass—others say mixed with oats or barley. But all agree that a mixture's better than a single crop.

I sometimes think people are the same way—and the strength of America is its mixture of so many different strains—some from one country, some from another—right down to little differences: like folks who have a taste for beer and those who prefer cider.

From where I sit, so long as we never become intolerant of one another's different tastes—so long as we live together with our differences, and even supplement them the way brome grass does alfalfa, then we're a mighty good crop!

So neighbor—enjoy your cider while I enjoy my beer! Vote for your candidate—I'll stand by mine! But never let our differences divide us!

Joe Marsh
