

Kiwanis Club Installs 1949 Officers

Don Mangus, district lieutenant governor of the Kiwanis Club, (fourth from left) installed the 1949 officers for the Sandy club. Dr. William Grashorn (left of Mr. Mangus) took over the post of president. Others in the photo are (left to right) front row—Mrs. Grashorn, new "first lady of the group", Robert Duncan, vice-president, Dr. Grashorn, Mr. Mangus, Floyd Light, retiring president, and Mrs. Light. Back row—Dr. Harvey

Schneider, R. V. Medley, Jess Phelps, Art Bellingham, Quenten Norquist and Don Deming, all members of the board of directors. Eugene Vedder, who will continue as secretary of the group, was not present. The Sandy Post last week incorrectly stated that Dr. D. M. Bramwell would become vice-president. He is the out-going second in command of the club, replaced in that position by Mr. Duncan.

'Human Growth' Slated at School

One of the most graphic ways in which the mysteries of human birth have been told will be shown to persons of this area at the Sandy Grade School 8 p. m. next Tuesday, Mrs. Edna Scales, P-TA president, announced this week. There, parents and other adults will view the celebrated motion picture, "Human Growth," produced by the University of Oregon Medical School in a Hollywood firm studio. The film is being distributed by the Clackamas County Public Health Association and Mrs. O. H. Rieger, social hygiene director of the association, will be present to answer questions during a discussion period following the 20-minute movie. It is the only film of its kind in the nation, Mrs. Scales said, and is in great demand. The Sandy P-TA has been waiting several weeks for it, Mrs. Scales added.

Parents to Preview
Purpose of the showing is to give parents an opportunity to preview the picture. Later the P-TA plans to have it shown to children of the Sandy Grade Schools. A teacher will receive special social hygiene training so that she can give instruction needed to accompany the film. The movie is part of a social hygiene course being taught P-TA members. Aim of the course, Mrs. Scales declared, is to strengthen family ties and give parents training in the proper manner in which to give their children sex education. The P-TA began the study in October and is nearly finished. The course is sponsored by the County Public Health group. "Human Growth" was shown to the Welches P-TA last week.

Costs of 'Free' Foods Are High
(The following comment on farm prices by the president of Pacific Wool Growers was given to The Sandy Post by John J. Innskeep, county farm agent.)
"If the farmer gave wheat away, a 16-cent loaf of bread will still cost the consumer 14.7 cents.
"If the farmer gave wool away, a \$50.00 suit would still cost the consumer \$44.30.
Would Cost \$4.90
"If the farmer gave livestock away, \$10.00 worth of meat would still cost the consumer \$4.90.
"If the farmer gave milk away, a 20-cent bottle of milk would still cost the consumer 12 cents.
"If the farmer gave tobacco away, a 20-cent pack of cigarettes would still cost the consumer 17.6 cents.
"If the farmer gave beans away, a 10-cent can of beans would still cost the consumer 8.8 cents."

Group has Party
Some of the folk in Brightwood and vicinity have solved the problem of what to do on these long, chilly nights. Such a group gathered at the Curt Wood's residence Saturday night to sing old and new songs and dance. Among those present were Mr. and Mrs. Ellis, the Alex, Lester and Ted Gogg families, Mr. and Mrs. Joe Beigmann, Mr. and Mrs. Murray, Sam Robinson, Mrs. Bessie Bell, Glen Barsted, Leo Uddike, Bub Stone and Charles Hickey. Mr. Robinson sang several spirituals. Mrs. Alice Hickey says she is happy to be back in Brightwood after a lengthy stay with her daughter and family in Elsie, Ore. Mr. and Mrs. Carl Weisdorfer and son, Leo, are proud of their trapping prowess. So far this winter they have trapped five bears, four bob cats, four coyotes, three mink and seven racoon.

Sleepy Hollow News
Mrs. Donald O. Dodd, star route, Cherryville, is the representative for the Sandy Post in the Sleepy Hollow and Brightwood areas. Readers of those regions are urged to contact her on news, social items or business matters concerning the Post by telephoning Rhododendron 432.

Legal Notice
NOTICE

K. S. Park Home Damaged by Blaze

POWELL VALLEY—The K. S. Park farm home on Powell Valley road a half mile south of the Powell Valley Mission Covenant church was damaged by fire Wednesday morning. Origin of the blaze which ruined the roof of the 2-story frame structure, apparently was a defective flue, firemen said. Firemen from District 9, Sandy and Boring were called to the scene and they saved most of the building. There was considerable smoke and water damage, however. Mr. Park and his son, Harry, spied the flame and called for assistance. Neighbors rushed to the scene and they were able to save most of the furnishings.

South Cherryville News
Mrs. E. W. Marler, box 11, Cherryville, is the representative for THE SANDY POST in the South Cherryville area. Readers of that region are urged to contact her on news, social items or business matters concerning THE POST.

From where I sit ... by Joe Marsh

We Both Won This One

Blew my top the other morning when I discovered a shirt I'd put on had two buttons missing.

"Joe," the missus says, "do you ever read what you write? For a man who writes newspaper pieces all about tolerance, you sometimes show a lot of race prejudice."

"Race prejudice!" I hollers. "No one can accuse me of that." "I mean prejudice against the entire human race," she interrupts with a smile. "Why get mad at the world over two little buttons? That took the wind out of me."

From where I sit (as I told the missus that evening), a lot of us sometimes get too worked up over little things... little differences of opinion or taste. One person prefers beer or ale, another prefers cider or lemonade. But why criticize the other fellow just because his tastes aren't the same as ours? "That sounds more like you, Joe," she laughs, snipping off a thread. (It so happens she was sewing on buttons.)

Joe Marsh
