

the medieval family!

On cold days they had to huddle around the fireplace—if they wanted to keep warm. But you can treat your family royally—without that's truly fit for a king. If you're building a new house or remodeling, look into the advantages of oil circulating heaters. And remember—Standard Stove is 100% distilled, that means it all burns—there's no waste!

Visitor Sees Deep Snow in Spokane

CHERRYVILLE—Mrs. Effie Judd returned home Saturday night from a visit to her daughter in Spokane to report that the Washington city had 30 inches of snow and the thermometer had dropped to 11 degrees below zero. She was greeted with four inches of snow on her return home. Several persons also reported the temperature was near zero Sunday and Monday nights.
Maritz Peterson visited Cherryville last week. He now makes his home with his nephew at Battle Ground, Wash.
