# Time to Invest in Practical Christianity

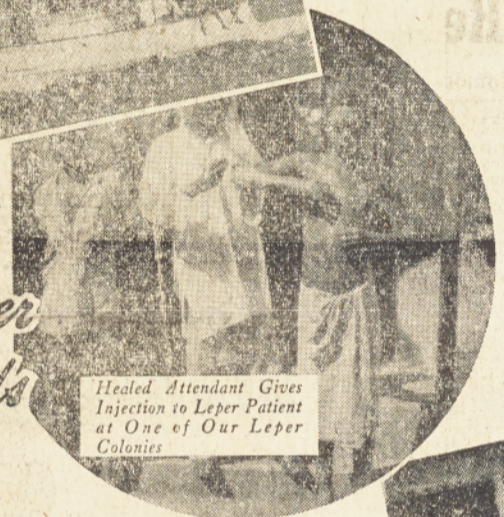

Reaching across the lines created by political differences and economic barriers, Christianity in terms of Seventh-day Adventist mission work is now reaching into 227 of the 281 countries of the world. It rises above the boundaries of race, nationality, and creed establishing hospitals, clinics, schools, mission stations, churches, and welfare centers for the sake of the physically ill, the mentally distressed, the spiritually impoverished. Actuated by the word of Jesus, "Inasmuch as ye have done it unto the least of these, ye have done it unto Me," Seventh-day Adventist Missionaries are carrying practical Christianity into earth's dark corners as rapidly as means permit. Your gift will extend and strengthen this world-wide uplift program. It will demonstrate your belief that the Golden Rule is still a good standard of conduct, that the "Love thy neighbor as thyself" philosophy is still the best way of life. An investment in Christian Missions is a share in a Better World!
