IT'S JUST PLAIN HORSE-SENSE!

It's just plain common sense to take your John Deere Farm Equipment to those who service it best... your John Deere representative in this community.

We've equipped our shop with the latest precision tools to do the work the way it should be done. Our trained mechanics, with factory "know-how", will give your equipment a thorough going over... making all necessary adjustments, replacing worn-out parts with only genuine John Deere Parts, and returning your equipment to you looking and running just like new.

Come in the next time you're in town and let us estimate the cost of your reconditioning requirements. You'll be surprised at the completeness of the work we do at a mighty economical price.

BUY ONLY GENUINE JOHN DEERE PARTS - THEY FIT AND WEAR LIKE THE ORIGINALS!

For FASTER, SAFER Milking

THAT'S GENTLE TO UDDERS...

THE New HINMAN Jiffy MILKER

Here's the revolutionary new HINMAN JIFFY MILKER—the milker with all the extra features! It will take more milk, and take it faster! Faster milking means more milk and butterfat, so you make more profit two ways. You milk in less time with less help... and you get more milk and butterfat, as well.

HINMAN LOW-VACUUM MILKING IS SAFE! America's leading Championship herds are HINMAN-MILKED! When the investment is heavy, safety is especially important. Before you buy any milker, investigate HINMAN!

Compare these HINMAN Features

- HINMAN FULL-FLOATING CLAW!** Simple, long-lasting construction that's easier to clean! Big openings, too... easily cleaned... won't clog!
- HINMAN PULSATOR!** The pulsator with a big piston... so simply built you don't need tools to assemble or take it apart.
- HINMAN VISIBLE MILK SPEED INDICATION!** A big, longer-lasting milk hose that lets you see at a glance how fast the cow is milking!
