Thanks Folks - - -

I want to express my appreciation of your patronage and your friendship during the last three years when I operated the Andy Morlan Plumbing and Appliance business in Gresham.

It is through your kind considerations that we've been able to build a business that carries a tradition of community service, reasonable merchandise and conscientious servicing.

My successors, Mr. Arnold Odmark and Mr. James McLay will carry on that tradition. I know you--all of my customers and associates--will make them welcome with your support.

ANDY MORLAN,
Former Owner
Andy Morlan Plumbing
and Appliance

Announcing The Purchase of
ANDY MORLAN'S
Plumbing and Appliance

Confident of the continued growth of the Sandy-Gresham area, we have purchased the Andy Morlan Plumbing and Appliance business here. It gives us great pleasure to make this announcement.

We will offer a complete plumbing, heating and appliance service and trained men will serve you in each of these departments.

Henceforth the name of the firm will be Gresham Plumbing and Heating. For this name we are indebted to Joe Chiodo, who formerly operated a business here under that name. He has relinquished it to us for our use. We hope to carry on the good name of Andy Morlan and Mr. Chiodo in this area.
