

Brightwood Gets Ready For Summer With Softball

By Mrs. Alice Hickey
BRIGHTWOOD — Brightwood Merchants softball club have changed their name to Mt. Hood Hi Ballers. Bill Evans and Curtis Kelley of Shake Inn; Glenn Tip of the Whistlestop; Mr. and Mrs. Pickett of Brightwood Tavern; George Williams and Chuck Britton, Brightwood Grocers; Bill Smothers of the Museum and Arthur Jonsrud were donors for the team's initial equipment. The Greenwood Truck line and truck drivers Dave Howe and Leo Updike cleaned the field.

Jack Ward, manager, wishes to announce a dance will be held Friday, June 16, 9 p.m., at the Log Lodge, Rhododendron, to raise funds for purchase of caps, sweaters and additional equipment for the club. Admission will be a \$1 donation with ladies free.

Games Well Attended
The boys played a game May 31 at Fort Barlow in Brightwood and the response from the community was gratifying. All have worked very hard to get the field in condition and have practiced steadily in order that they may compete with other teams in Mt. Hood Area Soft Ball League, under whose sanction these games are played.

It is the intention of the club to furnish Sunday games as well as a game each Wednesday night at 7 p.m. at Ft. Barlow. The Hi Ballers meet for practice Monday and Friday at 7 p.m. All are welcome those evenings.

Mr. and Mrs. John Ashby are remodeling their recently purchased summer home. Mr. Ashby is connected with the Pacific Power and Light Co.

Grange Meets
Mountain Grange held a regular business meeting Saturday evening, June 3. A number of subjects were discussed. Members sat down to refreshments, under the chairmanship of Mrs. Leon Hoskins, after the meeting. Visitors from Pleasant Valley Grange enjoyed the songs and dances with Mountain Grangers and were still going strong after the midnight hour.

Mr. and Mrs. Joe Bergman were Sunday visitors in Brightwood. They have a variety store in the Kenton district in Portland.

Mr. and Mrs. Don Ellis write their friends here that they are on their way back from Reno, Nevada, where they have enjoyed a three weeks visit.

Mrs. Treckeme, her grandson James Patrick, and her mother, Mrs. Mary Servello, are having an outing at the Donofrio summer home.
