"ARTESIAN"

Jacuzzi
"AUTOMATIC WATER"

Nature rarely provides the pressure to bring well water to the surface. Hence the need for the *Injector*, originated by Jacuzzi and the greatest single pump invention of modern times. Almost like magic it makes your well "artesian"...no moving parts under ground—nothing to lubricate. Then the *Centrifugal Impeller* whisks the water through your pressure tank or pipe lines to provide "Automatic Water" at the turn of the tap. That's Jacuzzi...your best buy in pumps.
