Firwood Extension Meets At Home Of Mrs. L. E. Armstrong Last Tuesday

By Mrs. Kenneth Pearce
FIRWOOD—The Home Extension Unit here last week opened its year's activities with its initial meeting of the season.

The meeting, held Tuesday at the home of Mrs. L. E. Armstrong, was presided over by Mrs. Armstrong with Mrs. A. Rickman acting as vice-chairman and secretary until the election of Mrs. W. H. Harris who will fill the vacancy left by Mrs. Lee Howton.

After the business was disposed, the group enjoyed a pot luck luncheon. A demonstration followed on how to prepare and package "Oregon Sweets" by Mrs. William Blake.

Gift Packages Given
Gift packages prepared by Mrs. Blake were donated to the unit and were auctioned off to the group by Mrs. E. E. Anderson. Mrs. Anderson is also the vice-chairman of County home economics council.

The next meeting will be held at the home of Mrs. Olaf Anderson with demonstration on new fabrics.

Present at the meeting were Miss Irene E. Smith, Mrs. Walter Ebeling, Mrs. J. McAnally, Mrs. W. L. McCabe, Mrs. Olaf Anderson, Mrs. Wm. J. Blake, Mrs. John Metzger and Judy Ann, Mrs. LeRoy Lamb, Mrs. Fred Decker, Miss Edith M. Smith,

Mrs. H. Nicholson, Mrs. A. Rickman, Mrs. E. E. Anderson, Mrs. Byron Elerath, Mrs. W. H. Harris, Mrs. Lorry Armstrong and Lawrence, Mrs. Otis Henley, Mrs. Lee Howton and Ruth Ann, Mrs. Kenneth Pearce, and Mrs. L. E. Armstrong.
Guests included Mrs. G. A. Brickley and Mrs. Louis Miller.

Depend on
INTERNATIONAL CRAWLERS
For
Productive Power

• Plenty of pulling power here! That's because International Crawlers are better balanced. Every pound of weight is placed for maximum traction. That means more power at the drawbar.

International Diesel engines are misers with fuel. They're designed to get maximum power from every ounce of fuel consumed. Easy, instant-starting means that these engines are ready to go at a moment's notice.

These are a few reasons why many farmers and ranchers say, "My International has more power than other tractors of its size."

Stop in and see us for complete information on International Crawlers. We also handle a complete line of Dyr Tillage Tools to fit your farm or ranch requirements.

INTERNATIONAL HARVESTER

LIGHT • MEDIUM • HEAVY MODELS
Made in widest variety of engine-body-chassis combinations to fit every trucking need.

Think twice today when you buy a truck!

THAT new truck you're considering may have to last a long time. So you'll be wise to look at a GMC for these important reasons: GMC's are built by the world's largest exclusive manufacturer of commercial vehicles — with the broadest truck engineering experience. GMC's are real trucks. Engine, transmission and frame, as well as cab and axles, are all specially truck-built to give you longer service. GMC truck-built engines have high horsepower with higher sustained torque—greater pulling power. They are built to give extra

years of service with less maintenance. GMC extra-value features include Synchro-Mesh transmission, Tocco-hardened crankshaft, full-pressure lubrication, recirculating ball-bearing steering gear, airplane-type bearings and Lifetime Weathersealed cabs as standard equipment on practically all models from 1/2 ton up.

That's why more truckers are buying GMC's today than ever before—experience proves them best in the long haul!

Get a real truck!
