Sorority Sisters Serve At Wedding Reception On Sat.

A quiet family ceremony, performed in the First Baptist church in Vancouver, Washington, Saturday, October 21, united in marriage Miss Janet Patricia Lyons, Route 3, Boring and David E. Huskey, Portland. The Reverend Angell performed the ceremony at 1 p.m.

The bride wore a royal blue suit with black accessories and a corsage of yellow rosebuds. Her only attendant was Miss Shirley Huskey, sister of the bridegroom, who wore a maroon suit with navy accessories and corsage of cream-colored carnations.

Best man was Russell W. Huskey, father of the groom.

A reception for about 100 guests was held after the ceremony in the Boring Odd Fellows hall under the supervision of Theta Rho sorority sisters of the bride. Theta Rho girls poured and Mrs. Fred Blaisdell, Valsetz, Oregon, cut the cake.

The young couple, now at home near Gresham, received a congratulatory telephone call on Saturday evening from Private Don Lyons, brother of the bride, who is stationed at Lowery Air Force Base, Denver, Colorado.

The bride, daughter of Mr. and Mrs. Lloyd Lyons, attended Sandy Union High school where she was elected 1950 student body secretary. She is a member of the Boring Theta Rho and the Horizon girls.

The groom is the son of Mr. and Mrs. Russell W. Huskey, Portland, and is a 1949 graduate of Benson high school. He is employed in a Portland printing concern.

The Sandy Post's Recipe Of The Week

Gravestones are falling over Sandy lawns and the whole family is yelling for apple pie—more apple pie—and still more pie. Us mothers and cooks are always pleased by enthusiastic response to our culinary efforts, but some of us lesser cooks are a bit resentful at making so much pie crust.

Almost everybody has trouble with pie crust. Oh, we usually manage to make it edible but the oft-asked question at afternoon soirees is, "How do you make your pie crust?"

Well, now, somebody has a real brilliant idea for making pie crust is 90 seconds and baking it in eight minutes. That's speedy.

It goes with something called Apple-Ida-Pie, called unique, with a mystery ingredient.

The whole thing—90-second crust, eight minute make and mystery apple filling—had been developed by the Fisher Flouring Mills' Mary Mills. She promises to send this amazing pie recipe to anyone who calls Sandy 324, drops in at The Sandy Post or drops a post-card to Terry Revenaugh at Box 11, Sandy.

I'm dying to find out myself. Not that I have any real trouble with pie crust—well, it just doesn't seem to have that expert touch. Say, how do you make your pie crust?

Women Voters Form Mountain Unit Weds.

The response of Mountain area women was enthusiastic enough Wednesday, October 18, in the Wemme Community hall to form a Mountain Unit of the League of Women Voters of Clackamas county. **Why is the
BASIC
SCHOOL FUND
INCREASE
Necessary?**

Rising costs and devalued dollars upset the support plan you, the Oregon voters, approved in 1946. At that time it was intended that school support be 50% state, 50% local. At present it is 31% state, 69% local. This measure will simply help balance school support as it was intended.
