Turkey Day Rush Fouls BPW Meeting

The Sandy Business and Professional Women will meet Wednesday, November 29, in the Canton Grille and not on November 22 as was announced on this page in last week's Sandy Post.

The difficulty arose when both the Women's Editor and the Secretary of the BPW became confused over the proper date of Thanksgiving Day.

One of the ladies has either a 1949 or a 1951 calendar and they were sure it was either the day before Thanksgiving or the week after Thanksgiving. And it was either the Women's Editor or the Secretary who got confused. By week's end, neither of them could remember.

* As American as Thanksgiving Itself

On Thanksgiving Day the sound of telephone bells ring in perfect harmony with dinner bells.

A holiday visit by telephone with loved ones who are away is becoming as much a part of Thanksgiving today as turkey. So this year, as in all others, we'll be expecting a huge number of callers—especially long distance callers. You'll all be taken care of—but please, won't you try to place your calls early?
