BPW Acquires New Cot For Ambulance

Members of the Sandy Business and Professional Women's club journeyed to Portland for their monthly meeting November 29 at the Canton Grille.

Guest speakers were Ab McLean and John Nauert who explained the need for a roll-away cot for the city's ambulance, and also expressed the appreciation of the department for the sheets provided for the ambulance by the club. The club voted to purchase the cot for the ambulance since it is readily available.

As an aid in combatting local and national disasters, a group of the club women voted to begin first aid classes.

Operation of the BPW clothing center is on a year-around basis and those wishing to contribute to the center are urged to contact Mrs. Edna Gundersen or other members of the organization.

Mrs. Donald Fowler of Gresham spoke briefly on the 2 years she spent in Paris while her husband studied music in the European city. She was the guest of Mrs. Oscar Olson. Other guests included Mrs. Ralph Lamb, Mrs. Mildred Stewart, Miss Dolores Gundersen and Mrs. Carl Hoffman.

Mrs. Ray Beeson told of her trip to California and of B.P.W. activities in that state.

Next meeting will be held at the Beeson residence December 18 at 8 p.m.

Sandy Ridge Club Entertains Families At Christmas Party

The Sandy Ridge Woman's club held their annual Christmas party last Thursday evening at the Sandy Gun club building by entertaining families of the members.

A turkey dinner was served to 60 persons, including 21 members in a room that was decorated with the Christmas motif. After the dinner Mrs. David Bell led the group in singing "Jingle Bells" and at the conclusion of the song Santa Claus arrived to distribute gifts to everyone.

A number of cakes were won by members of the club through a spinning wheel arrangement.

The regular business meeting was postponed until after the new year and is scheduled to be held on January 4th.

Officers Are Reelected By Church Group

The annual election of officers for the Immanuel Lutheran church of Sandy was conducted last Sunday with Herbert Huck being reelected president for the 1951 year.

Walter Hoffman and Ronald Krebs were reelected to the positions of secretary and treasurer. Aaron E. Meyer was named to the board of elders and Raymond Cohrs was elected to the board of trustees. Richard Ulrich and Hugo Ulrich will serve on the stewardship board and Leo Anderson will be a member of the board for Christian education.

Installation of officers will be held at a New Year's day service.

The voting congregation of the church resolved that a new organ be acquired and dedicated in thanksgiving to God.

It has not been determined what type of organ will be acquired. A committee consisting of Mrs. Norman Erickson, Otto Schneewind and Mrs. Henry Schwartz was appointed to suggest a suitable organ for the church. Another committee comprised of Norman Erickson, Henry Schwartz and Otto Schneewind will plan the raising of funds to meet the expense of a new organ. The congregation hopes to have the organ installed before the end of 1951.

Wyeast Gardeners Plan Christmas Decorations Sale

The Wyeast Garden club is holding a sale of Christmas decorations over the weekend. On Friday, December 15th, they will have a display at the Sandy Market. Beautiful and well-made wreaths, swags, mantel and table decorations and corsages will be on display. Mrs. Daisy Schafer and Mrs. Walter Creighton will be in charge.

On Saturday, a similar sale will be held at the Mt. Hood store in Rhododendron, and on Sunday, the Community hall in Wemme will be open for the display.

The Wyeast Garden club is planning a pot luck dinner for the evening of December 19th, at 6 p.m. for members and their families. The program will consist of games and music with Mrs. David North in charge. Allen Olsen will officiate as Santa Claus. Mrs. Kochlin of Rhododendron is in charge of the dinner.

Mrs. Louise Hallam is general chairman of the Christmas sale. The proceeds will be used, partly, to help floor the community hall and improve it in various ways, so that it can be of more general use to organizations in the mountain district, as well as to the various Youth groups now utilizing the hall.

One thing a student of mathematics never learns is that curves can make a triangle.
