Their Work Will Make Your Christmas Merrier

Telephone people say "Merry Christmas" to you with service. Everyone connected with furnishing service expects their busiest time of the year, handling your Christmas greeting calls. They'll work gladly through the holidays knowing that your telephone is performing one of its happiest services at this time.

If you'll try to place your long distance calls early and avoid "bunching" calls on Christmas day, everyone can make their calls, and ringing telephones will truly rival Christmas bells as traditional holiday sounds.
