Ready for the Second Stage in her FEEDING PROGRAM

TRIANGLE DEVELOPING FEED
 MASH OR PELLETS
Builds Better Layers
 After years of careful field research Triangle has developed highly specialized feeds for the three periods in a layer's life span—Chick Starter for the chick stage, Developing Feed for the pullet stage and X-tra Egg Producer for the laying stage. Right now most poultrymen are in the second stage of the program—the time when young pullets need a specially balanced formula to supply growth and body reserve so essential to future maximum egg production.
 Insure your Future X-tra Egg-Profits
 Feed Triangle Developing Feed now! Its full nutrient balance will insure you of maximum egg production this fall when your pullets are ready for the laying house. Keep those pullets in top shape with Triangle Developing Feed.
