The Way A Man Is Saved

We cannot say that any one thing will save man. There are many religious people who will take only a portion of God's word and use that to say that it is the thing that will save man, and leave out what they want to.

Here are the inclusive, essential things which save man. THE LOVE OF GOD saves man, John 3:16. THE GRACE OF GOD is essential to the salvation of man. For in Eph. 2:8, "For by grace have ye been saved through faith . . ." FAITH on our part is also essential to our salvation. Hebrews 11:6, "For without FAITH it is impossible to please Him, for he that cometh to God must believe that he is, and that he is the rewarder of them that diligently seek him." THE BLOOD OF CHRIST is also necessary to our salvation. For we read in I Peter 1:17-19, ". . . but with the precious blood as of a lamb without blemish and without spot, even the blood of Christ." REPENTANCE is another of the essential things needed for man to be saved. Acts 17:31, ". . . he commandeth men everywhere to repent." (see also II Peter 3:9) CONFESSION OF JESUS CHRIST is a necessary thing on our part if we are to be saved. Jesus said, "He that confesseth me before men, him will I confess before my Father who is in heaven." BAPTISM is also essential in order for us to be saved. Peter tells us that baptism saves us, in I Peter 3:21; "The like figure whereunto baptism doth also now save us, not the putting away the filth of the flesh but the answering of a good conscience toward God." WORKS are additional things necessary to man's salvation. James 2:17, "Even so faith, if it have not works, is dead in itself." James 2:24, "Ye see that by works a man is justified, and Not By Faith Only."

Lusted Travelers Arrive In Germany

Mr. and Mrs. Harry J. Carlson of Lusted received a cablegram from their daughter, Mrs. Robert J. Jackson, telling of the safe arrival of Mrs. Jackson and her daughter, Marilyn, in Germany on December 15.

They went to New York by train and after a 3-day stay there they boarded a plane which made 2-hour stops in Newfoundland and in Ireland. The plane landed in Germany at Fuerstfeldbruck. They were met in Freising by Lt. Jackson, who escorted them to the air force base at Erding where they will make their home during Lt. Jackson's period of service there.

Mr. and Mrs. John Dagslund, formerly of Sandy, are among the residents of the air force base at Erding, Germany.

GORILLAS ARE THE CUTEST PEOPLE . . . These three baby gorillas reside in the San Diego zoo, where they are playing an important role in scientific research. Brought to this country from West Africa when they were only seven months old, they are being studied to determine a normal growth pattern for gorillas. It is believed that such a pattern can be applied to children. Left to right, they are: Bata, Bouba and Albert. When brought to the zoo, all three were suffering from vitamin deficiency and weighed less than eight pounds each. Their keepers put them on an orange-flavored vitamin preparation, the same type given to children. Today, at two and a half years of age, the gorillas are healthy and lively and weigh about 50 pounds each. Little is known about the growth of gorillas, since none has ever been born in captivity and there are so few of them available for close, scientific observation.

Friendly Corner Church Choir Meets At Dobson Home For Yule Party

Mr. and Mrs. Vernon Dobson entertained the choir of Friendly Corner, Pleasant Home, in their home where a Christmas party and gift exchange were enjoyed. The drawing for prizes was an original idea. Guests, directed by Mrs. Elgin Burns, were required to sing a song phrase printed on a slip which they had drawn earlier, before receiving their gift.

Mrs. John Eggiman helped the hostess with games, and refresh-

ments were served by Mrs. Harry Dunlap and Mrs. Walter Cooper.

Other guests were Harry Dunlap, Miss Marjorie Cooper, Mr. and Mrs. Marvin Dixon, Mr. and Mrs. Harvey Watkins, Mr. and Mrs. Ernest Meyers, Elgin Burns, Mrs. Tom Hale, George Hale, Mrs. Hattie Wilkinson and Mrs. Cliff Harris.

Oregon Trail Riders Enjoy Christmas Party

By Myrth True Neilson

Well if it isn't too late, a Happy New Year to all! I just crawled out of the paper and tinsel to find to my horror that I had missed December 27th issue of The Sandy Post. A fine thing for the Pub. chairman to do, apologies to my club members. Please let me tell you that the Oregon Trail Riders had a very nice Christmas party, at the club house.

We had a roaring fire in the fire place, a beautifully decorated tree, with heaps of gifts at its base. Games were played by children and adults and suddenly Santa Claus was with us. He greeted each one separately and our four year old Curtis Neilson, all starry eyed with awe, just had to interrupt Santa in his gift giving with "Santa Claus, you know what! How did you get down that chimney?" Needless to say, Santa was too busy to hear him. Ten year old Johnny Nelson thought Santa looked like our John Mills.

Christmas carols were sung by all and duets by Nettie Hite and Mary Keller, Edie Updegrave and Ralph Neilson with a cowboy number. John Mills lead the group singing which was accompanied by Nettie Hite on her accordion, Mike Lamb, mandolin, Ralph Neilson, guitar, Glen Keller, mouth-organ and Jess Hite, the drums. A very appropriate and amusing reading was given by Marjorie Hoffman and her sons, Ed and Mick.

Besides the club members present were guests: Mr. and Mrs. Glen Keller and daughter Judy, Guy Buswell, Mr. and Mrs. Mike Lamb, Mr. and Mrs. V. Dell Butler, Mrs. Wayne Nelson and daughter Donna Lee, sons John and Bruce, and Mrs. Shockey.

In spite of the happy evening, each member was saddened by the loss of their members, Carl and Urba Stewart, who are returning to Redmond, Oregon. Urba has done such a wonderful job as entertainment chairman. We will miss them very much. The best of everything to you both.

Dinner will precede the meeting at the Trail Cafe at 6:30 p.m. All Rebekahs are urged to be there.
