

# NEW FRONT-MOUNTED MOWER

for the Model CA Tractor

This is an outfit that will speed up haying — and it is especially good for mowing range land and heavy irrigated crops.

The new CA mower mounts in front of the tractor drive wheels. You can watch it constantly without tiresome turning around. Turn corners easily. Mow right up to fences, ditches and checks. Hydraulic control lifts, lowers and controls cutter bar height. Twin V-belts transfer smooth, shock-resistant power flow from the tractor to the mower drive shaft.

Quick hitch plus solid anchoring to tractor gives fast, clean mowing. And the tractor drawbar is always free for raking, baling or other work without removing the mower.

Here is the latest in mower engineering to match Allis-Chalmers CA power and speed. Write or stop in for full details.

### Trail Riders News ---

By Myrth True Neilson  
Delegates, Edith Updegrave, Art Snook Sr. and Ralph Neilson attended the Clackamas County Riding Clubs Association's monthly meeting on February 14th. The Cascade Riders were host and the meeting was held at the home of Mr. and Mrs. Ervin Briscoe.

Many points for the betterment of all the clubs were discussed for the riding season that is not too far off. The present series of dances the association is sponsoring at the Mt. Pleasant Boosters Club in Oregon City were discussed and the net proceeds of the first two dances were divided evenly among the clubs. The Oregon Trail Riders were the hosts Saturday, February 16th and the Milwaukie Saddle Club will be host on the first of March.

A joint report was made by Art Snook and Ralph Neilson on the progress that our John Mills is making with the Forest Service in regard to the permanent camp-site at the base of Mt. Hood. John Mills was elected by the association to head this project. The site will be made public at a later date.

At our March 3rd business meeting Dick Wagner, president of the association, will be present to show the moving pictures of the wonderful two day ride around Mt. Hood last August. Dick's pictures will bring a small part of the beauty to those of us who could not make the trip.

President Edith Updegrave, wishes to publicly thank her committees for their work February 16th and to all members for their donations, and to the friends that came from Sandy to the dance.

We are pleased to receive an application for membership to our club, from Mrs. Howard Eliason of Sandy.

### Pow-Wowers Get Norfolk, Virginia, Brochure Request

By Mrs. David Howe  
The Mt. Hood Pow Wowers met at the Fireside Inn February 14 for lunch and a business meeting. The organization was pleasantly surprised with a letter from the Chamber of Commerce from far away Norfolk, Virginia requesting the brochures put out by the Pow Wowers. The secretary, Mrs. Harry Lofgren, also read a letter from Myrl Hoover, President of the Trailway Bus Company, pledging his support to the organization in any way he could be of any assistance.

Al Greenwald gave a very interesting run-down on the new U. S. Highway 26. This highway will extend from Nebraska, through Wyoming, Idaho and Oregon, with Highway Association Headquarters at Gering, Nebraska. In Oregon it will run from Nyssa to Vale, Vale to Prineville, Prineville to Madras, Madras to Portland, Portland to the coast then to Astoria which is the terminus. The money pledged from Oregon will not only be for a large brochure, including two pages of Oregon Scenes and advertising, but also to erect a new sign south of Ontario where the two highways convene. These brochures they hope to have available within 90 days.

Mr. Greenwald also said that he could receive no encouragement about any work being done this year on the bottleneck at Cherryville. You can be well assured, however, that the Pow Wowers will not leave that matter idle and from now on most anything can happen.

There was a very interesting discussion on the Recreation Area of the National Forest and the lack of funds for Camp Ground maintenance. Mention was made of a bill presented to Congress called the Tackett Bill. This Bill to return to the National Forests of Oregon and Washington 10 per cent of the gross National Forests receipts. This does not mean additional taxes but just a disbursement of money all ready on hand. It is certainly of advantage to our West Coast forest areas. Anyone interested in this bill becoming effective could certainly do their part by writing their senators and representatives.

### Additional Locals ---

George Miller, Sandy, was taken by Sandy ambulance to Emanuel hospital in Portland Sunday, February 17.

Mr. and Mrs. Otto Motejl, Loop highway, had a party in honor of Otto's birthday Saturday evening February 16. Fifteen guests were present.

Mrs. Don Burdick, Kelso, is convalescing at home following a major operation at a Portland hospital where she was confined for two weeks.

The social meeting of the Eastern Star was held Tuesday evening, February 19 at the home of Mr. and Mrs. R. I. Norman (the old Jarl place).

Ray Murray, Sandy, won the door prize at the Sandy grange card party and dance held Saturday evening February 16 in the grange hall at Kelso. Refreshments of ham sandwiches, potato chips, berry short cake and coffee were served to the 75 attending. Dancing followed with Lee McCabe calling the square dances.
