MCC Organized With Blaisdell Chairman

By Mrs. Nell Howe

A new organization has been started on our Mountain and we think it will benefit all. It is really an organization within an organization. We will be known as the Mountain County Council or the MCC. The members are delegates from each of the organizations in this area. The main object at the present time is to act as a clearing house for all dates of activities of the different associations. In this way we hope to do away with two or more organizations having conflicting dates. Walter Blaisdell was elected chairman and he will have charge of the Master Calendar. He is to be called when an organization is planning a meeting or an event. Nell Howe was elected vice-chairman and Al George was elected secretary.

Any organization that was overlooked at the planning meeting is cordially invited to send a delegate. The meetings are always open to the public. The next meeting will be at the Mountain Grange Hall May 21 at 8 P.M., DST.

What Would the County Manager Plan Mean to YOU?

It Would Mean - - - -

You Lose Your Right To Vote For - - - -

COUNTY CLERK
SHERIFF
ASSESSOR
SCHOOL SUPERINTENDENT
TREASURER
SURVEYOR
COUNTY JUDGE
TWO COUNTY COMMISSIONERS

For those nine votes now available to you would be substituted only one vote for a Commissioner to represent your district on the County Commission.

You would have no voice in the selection of the other four County Commissioners.

The County Commission, under the system proposed, would act by a majority vote of its members. If the Commissioner elected from your district was in the minority in determining county affairs your vote would have no effect on County Government.

TWO PARTY SYSTEM DESTROYED!

The County Manager Plan eliminates your two party system from Clackamas County affairs. Your party organization would soon cease to be effective for any purpose.

DON'T DESTROY YOUR VOTING RIGHTS.
