Sermon Theme: "The God of the Harvest, and Our Responsibility to him." Jesus said: "Thou shalt love the Lord thy God with all thy heart, with all thy soul and with all thy mind. This is the first and greatest commandment."

Unity Is Christ's Desire

Christ taught his disciples that a kingdom or house divided against itself cannot stand (Mark 3:23-25). In his prayer for his church we learn the importance that Christ placed upon unity among his followers. We read, "Holy Father, keep them in thy name which thou hast given me, that they may be one, even as we are one." (Jno. 17:11). He further prayed, "Neither for these only do I pray, but for them also that believe on me through thy word; that they may all be one; even as thou, Father, art in me, and I in thee, that they also may be one in us; that the world may believe that thou didst send me" (Jno. 17:20-21). In the above Scriptures Christ definitely states that he desires unity. Also, that the name that the Father gave for his disciples to wear is essential to that unity. "Holy Father keep them in thy name which thou HAST GIVEN ME..." Christ wanted unity that the world might believe that God had sent him. Must we conclude that only with a united church can we evangelize the world for Christ?

Surely, no one would think there can ever be unity on the creeds, or opinions of men. If I come unto you presenting only the Christ and asking you that you believe in him, do the things that he asks us to do in the manner he asks us to do them, and wear no name other than that which he asks us to wear, just as you have read in the Scriptures, can this cause division among us? If not, what is the source of division?

Demonstrations Given On Achievement Day

The Brightwood Extension Unit had their annual picnic and 4-H achievement day Wednesday, June 11 at the Wenme community hall. Mrs. Mahan county 4-H leader, was present to judge the children's exhibits. Sharon Klawitter and Gayla Gadwood demonstrated making peach sailboat salad; Ellen and Edward Mitchell gave a window washing demonstration; Charles Lake and Roger English exhibited drop cookies they had made; John West and Roland Roberts exhibited forestry boards.

Tom West told of his lamb project for last year which he sold for 23 cents a pound; Edward Mitchell described his home garden project and his project for beautifying the yard; Sharon Klawitter, Carol Alt and Gayla Gadwood exhibited cakes which were all judged excellent. Sharon's was selected as best in the competition. Ellen Mitchell then exhibited bread, and a made over skirt and new slip.

The members of the home projects exhibited pillows and place mats they had made. Mrs. Mahan thanked the Unit for their cooperation in the 4-H groups and said that all exhibits were very creditable and should certainly be entered in the coming fairs.

Birthday Celebrated By 91-Year-Old Man

On Thursday, June 12, A. S. Auterson observed his 91st birthday at the home of his son-in-law and daughter, Mr. and Mrs. G. E. Bollinger, Hillcrest. In the evening a group of members of Friendship Chapter No. 115, OES of Portland, of which he is a member, joined them.

During the evening a birthday cake was cut and served with ice cream, strawberries and coffee.

Mr. Auterson served the Chapter as its first Worthy Patron.

[Know your OREGON MILK CONTROL LAW]

"Do you mean to say that the richness of our milk is limited by law?"

YES The Milk Administration, under the broad authority granted it by the Oregon Milk Control Law, sets limits on the richness of milk. It also sets the price you must pay for milk.

The limits differ somewhat in different parts of the state, but the principle is always the same. In Portland standard milk is limited to 3.8% butterfat. If any distributor should deliver richer milk he is required to charge two cents more. In Josephine and Jackson counties richer milk is more drastically discouraged. The moment a distributor goes above 3.4% butterfat he must charge his customers one cent more, and at 3.7% he must charge still another cent, and so on through several price ranges.

These regulations controlling the richness of milk make it impossible to give the consumer greater value for his money. At the same time, such restrictions increase farmer surpluses of butterfat.

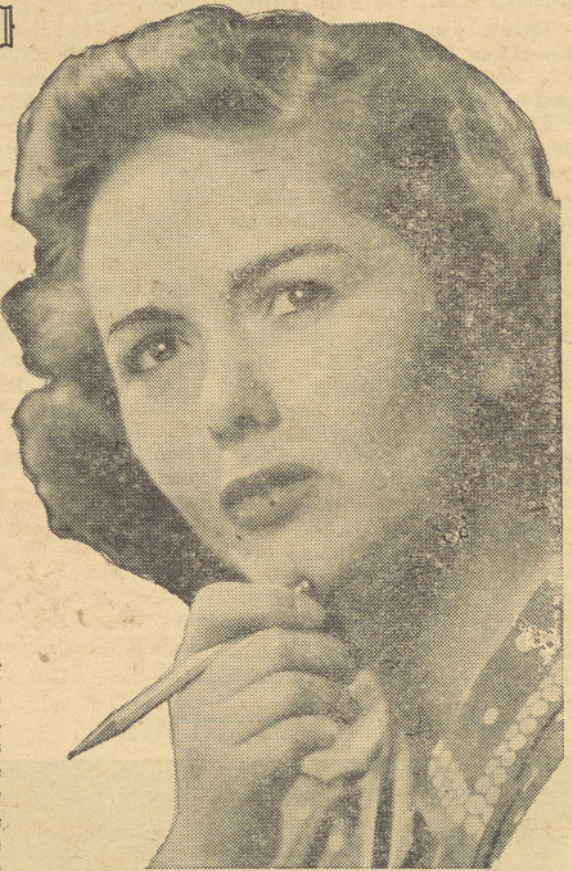

Milk control holds down the richness of milk you can get for your money and reduces the market for the farmer's cream.

The questions and answers at right show some other ways in which the Oregon Milk Control affects YOU.

Send for this free booklet. You and your family are vitally concerned by anything that affects the milk supply of your community. Learn how Oregon Milk Control affects YOU. Write to Safeway Stores, 1139 S.E. Third, Portland 14, Ore.

SAFeway

Q. Does Milk Control set the price you must pay?
 A. Yes. That is the purpose for which the law was designed. It sets floor prices, not ceiling prices.

Q. Does Milk Control discourage competitive distribution of milk?
 A. Yes. No one can enter the milk business if the Administrator says such new competition might disturb existing distributors.

Q. Does the Oregon Milk Control Law regulate Sanitary conditions?
 A. No. It has absolutely nothing to do with the sanitation, health inspection, cleanliness, or the purity of milk.

Q. Does Milk Control limit the supply of Grade A milk?
 A. Yes. To sell Grade A milk for your use a farmer must first get permission from the Administrator. If he gets permission (and many do not), he is given a quota. If he produces more he must often sell the surplus at a lower price for cheese or other factory uses.

Q. Does Milk Control allow you a lower price when you carry milk home yourself?
 A. No. You pay the higher costs of door-to-door delivery whether you use this service or not.
