NOTICE

To Customers of Gresham Business Machines:

We have obtained installation of new phone equipment to give you better service and therefore give notice of our new phone number — Gresham 18184.

Simultaneous with our new and better phone service comes the announcement from the New York office of the Underwood corporation that Gresham Business Machines has fulfilled all requirements regarding service and reliability and has been granted a full Underwood Agency franchise.

Most of the credit for our business progress is due to the faithful support of our many customers. And it is our pleasure at this time to thank you for this support.

We hope that you will excuse us from August 20 until August 25—we will be vacationing. Again, many thanks.

E. C. "ERNIE" KOERNER

Zigzag Girl Engagement Announced; Forest Service On Alert For Fires

By Mrs. A. B. Bradley

Mr. and Mrs. Al Barrow of Zigzag are announcing the engagement of their daughter, Mary Lou Elms, to Ernie Furness. The wedding will take place at the Chapel of the Hills on the evening of August 15. Irene Elms will be her sister's bridesmaid. A shower was held for Miss Elms on last Monday evening at the Zigzag Inn.

Mr. and Mrs. Vernon Hayes, formerly of Tigard, have rented the McPaul house, where the Antique shop used to be. Mr. Hayes works for the C. J. Lumber Company. Mrs. Hayes is a former nurse. They expect to become permanent residents.

Enjoy Fishing

Mr. and Mrs. D. A. Petrie of Cherryville recently made a week's vacation trip to Lake Pend Oreille in Idaho to enjoy the blue-back salmon fishing. They made the trip by way of Walla Walla and came back through Wenatche. Mr. and Mrs. Oscar Johnson of Sandy accompanied them in their own car most of the way. Back home again, the Petries picked up their two children and took off again for Lakeside, Coos County, and had more fishing for catfish and perch. They report having a marvelous time.

Attend Class

Dorothy Meyers, president of the Brightwood home extension unit; Beth Bradley, secretary, and Irene Petrie, publicity chairman, all spent the day in Oregon City on August 7, attending an officers' training class which was held in the Methodist church beginning at 10 o'clock. More than 100 women were present, representing all the units in the county. Mrs. E. E. Andersen, county committee member from the Firwood unit, presided. Jessalee Mallalieu led the group singing and recreation. Interesting talks were given by Frances Clinton on home economics extension in Oregon, and on parliamentary procedure. She said that, starting in 1912 with one county agent in one county, there are now, 40 years later, 35 agents in 29 counties, all bringing the results of latest researches in science and methods to 550 home extension units throughout Oregon. Mrs. Winifred Gillen gave a most interesting exposition of 4-H club work, which is the junior department of home economics. There are 27,000 4-H club members in Oregon. Valerie Nicholson, exchange student from England, gave a fine talk on home and working conditions in post-war England. She is one of six English students now in the United States.

A sandwich luncheon was eaten at noon, after which the classes in officers' training were held in four different rooms. Mrs. Helen McDowell gave some interesting highlights on home extension plans for this next year. The county committee of seven women which helps the county agent are as follows: Mrs. E. E. Andersen, Firwood; Mrs. C. E.

Kraft, Milk Creek; Mrs. Albert Seida, Mt. Pleasant; Mrs. B. J. Woodward, Union Mills; Mrs. Patricia Purcell, Wilsonville; Mrs. Harry Schriever, Marquam; and Mrs. W. A. Christie, Concord.

At Summer Home

Mr. and Mrs. Carney are spending the summer at their summer home in Woodlands. With them are Mr. Carney's sister, Mrs. Weatherall of Portland; their granddaughter, Mrs. Murrell from California, and the latter's little daughter.

The forest fire near Parkdale on the other side of the mountain is pretty well mopped up now. It was a slashing fire and covered about 60 acres, would have been much more serious had not the wind been in the right direction. The 15 man suppression crew under Lynn Lathrop helped greatly in controlling this fire. Mr. Langdon, with Lloyd Jenkins, Mr. Reick and Mr. Small were over there working until Monday. The suppression crew returned to their base at Summit on Tuesday.

Iowa Guests

Dr. and Mrs. John Hilton and their son, John Jr. of Waverly, Iowa, have been spending two weeks with Mr. and Mrs. Gerhardt Kreuger and Agnes Reinemunds of Rhododendron. Mrs. Hilton is a sister of Mrs. Kreuger and Miss Reinemunde. John Hilton Jr. is a student at the University of Iowa.

Golf

Dr. and Mrs. John McGovern of Portland have been spending ten days at the Welches Golf Course in order to enjoy the golfing. There have been several tournaments at the golf course lately. Sigma Nu fraternity and the Pacific Fruit Company had tournaments over last weekend.

Alert

Last Friday morning a United Airlines pilot, flying around Mt. Hood, noticed smoke on the mountain about three miles west of Illumination Rock when it was so foggy that the lookouts couldn't see very well. He reported this smoke, and Jim Ralph was promptly dispatched to fly over the area and check up. It turned out to be a false alarm, fortunately, just smoke from a camper's fire probably. But the forest service is very much on the alert these days, and prefers to take no chances.

Garden Club

The next meeting of the Wy-east Garden Club will be held on Thursday, August 21, instead of on Tuesday as usual, in order to accommodate Mrs. F. E. Boyden who will be responsible for the program. Mrs. Boyden will speak at 1 o'clock on "The Flowers and Garden of Our Winter Home in Mexico." This should be a very interesting and unusual talk. Dr. and Mrs. Boyden have spent the last few years in Mexico in the winter time, and their home on the Salmon river in the summers.

The business meeting will be held at 11 in the morning, at Mrs. John Lake's in Rhododendron instead of at the Community hall as is customary. This will be a picnic meeting with Miss Agnes Reinemunde and Mrs. Daisy Sanders as hostesses. Mrs. Sanders, who has moved to Madres this summer, will be back for the occasion. Members will bring their sandwiches as usual and the rest of the picnic lunch will be served by the hostesses. There will be a short executive meeting just before the business meeting, according to Mrs. William Drips, president.

And So Are We...

Yes sir, we'll be on hand right at the fairgrounds to show you the very finest in cars and trucks. This year we're entering into the actual spirit which makes the Multnomah County Fair the neighborly, wholesome get-

together that it is. We'll be there every day of the fair to show you how to get the very best out of your automobile dollar.

By the way, Tuesday, Aug. 19, is "Gresham Day" you know, and we'd particularly like to have all you local folks drop out to the fair on that day—half price, you know, and extra prizes.

You're Off To The County Fair!

And well you may be! Next week is our County Fair Week in Gresham—when folks gather here to view the progress the year has brought! There will be fun and frolic, too!

Let's all enter into the spirit of good old-fashioned friendliness and celebrate! Our wonderful county is on display! Choice ani-

mals on exhibit . . . fruits and vegetables to do our fair county justice . . . needlework, home-canned products, baked goods—the superb accomplishments of our homemaker . . . commercial and industrial products—on view for all to see and admire, to make us proud of our people!

We at GORDON SWAN . . . your Dodge-Plymouth headquarters in Gresham . . . put out the Welcome Mat. To all the folks who visit our city, to our friends and neighbors, we say "WELCOME." We hope you'll drop in and see us. We like to please you, always giving you just a little bit more than you expect.
