LETTER TO THE EDITOR

August 14th
Editor of The Sandy Post
Sandy, Oregon

May I extend my personal thanks to your publication for its support of the Hospital District preceding the recent election. It is encouraging, in a community which is so consistently opposed to any major change or improvement, to know that there are a few rare individuals who are reluctant to impede the wheels of progress. May I also take the opportunity of declaring my pleasure in having worked with such sterling characters as Brenton Vedder, Ivan Barker, Jenny Welch, Ronald Krebs, Quentin Norquist and Mrs. Norquist and many more. Perhaps the thought has struck you as it has me, that had we had a fraction of cooperation from that group which so frankly signed themselves as members of the Anti-Hospital Committee the edifice would have been completed and in operation now.

It is my sincere hope that when the time comes when those who so bitterly opposed us, need the immediate services of a modern hospital, for themselves or one of their loved ones, and that time will surely come, may they spend some consolation in reflecting that perhaps they have saved at least the price of a small floral token.

Yours as ever,
C. Vance Hewitt

Nell's Notes...

HELEN COOKE gave an outdoor picnic for her visiting niece and nephew. Seven of the younger generation much enjoyed the lark—IDA DARR and DOROTHY SMOTHERS both with secrets—LOUISE HALLAM pretty as a picture in blue and grey—The JOHN LAKES have beautified a very lovely grove—HANNAH GREENWOOD visiting in Tacoma—MRS. PAT ROGAN suffered a very serious nose-bleed of many hours duration—BETH BRADLEY'S startled look when she saw a dog frolicking gayly with the half finished Garlye sock she had been knitting—MRS. M. E. MARZOLF quietly setting in motion a whole chain of good deeds. There is a gal so worth while—Wonderful is the only word to describe MRS. F. E. BOYDEN'S talk on Mexico at the Wy'east Garden club's last meeting—MR. and MRS. WILLARD ROWBERG of Oslo, Norway were visitors of JENNIE WELCH last week—BILL ADAMS has his new woodshed and storage room all completed—BILL DRIPS to the airport to greet FRANK MULLEN of Los Angeles who was an associate of his on the NBC radio station in Chicago.

Brothers Injured In Cafe Shooting

Kenneth Dale Henneman, part-time cook, was released from county jail Monday after friends posted a \$250 property bond after his arrest and arraignment on a charge of assault with a deadly weapon.

Henneman was taken into custody by state police whom he called after shooting two Sandy brothers, Robert and Jess Leach after a scuffle at a cafe where Henneman is employed, eight miles east of Sandy.

The cook charged the brothers created a disturbance in the cafe. After being brutally beaten by them the inoffensive cook shot the brothers.

Reed College Graduate Joins Sandy Law Office

Robert V. Cook will maintain offices in conjunction with Sandy Attorney Edgar L. Martin, the latter announced this week. Cook is a graduate of Gresham Union high school and grade school, and Reed College in Portland.

He is the son of Verl O. Cook of route 2 Boring. The new attorney is a bachelor and will appear this week before the Oregon Supreme Court to be sworn in.

Wesslink Benefit Set For Friday Night Also

An error was made last week in announcing that the "Wally Wesslink Benefit Fund" would be held Friday night, August 29 instead of Wednesday, August 27. However, since the mistake was made, the Sandy Community Christian Endeavor, sponsors of the benefit, will show the film "Wildfire" Friday night also at 7:30 at the Sandy Community church.

House Rented Fast

Mr. and Mrs. Alfred Lee of Bull Run placed the following ad in The Sandy Post:

For Rent—Four bedroom modern house. Grade and high school busses pass right by the house. Call Sandy 23X7.

On the same day the ad appeared in the newspaper, the house was rented, which proves that classified ads in The Sandy Post get results.

Two Sandy Teen-Agers Missing From Home

Two teen-aged sisters were reported missing from their home in Sandy Tuesday, August 19. The girls, aged 16 and 15, both wore glasses.

Sandy police said the two were reported seen in Boring at 10 a.m. Sunday. The two were believed headed for Dodge Park.

Jack Haselwander, SA, USN, son of Mr. and Mrs. H. M. Haselwander of Kelso, Oregon, was home on a 10-day leave this month from USS Cape Esperance, anchored at Oakland, California.

Howdy Folks:

We see Medley is back from his vacation brag and baggage. We never saw any of those fish.

Sam says he is looking for an accident insurance policy that starts paying from the time he starts to fall and not from the time he hits.

It is no longer a sin to be rich—it's more of a miracle.

We found a restaurant the other day where we could get a sizzling platter for a buck. If you want a steak on it that will be three bucks extra.

Edna says it is a darn good thing that you can't look thru a keyhole with both eyes.

We found out the other day that the art of borrowing is changing hot air for cold cash.

A designer says the function of feminine attire is to cover up the weak points. Gosh some gals sure don't have many weak points.

The old time prospector loaded his burro, rounded up his rations, took along his pan and off he went into the mountains looking for his fortune. Sometimes a "strike" was made, but more often the only gain was a good deal of exercise. Nowadays we know that fortunes are earned by planning carefully rather than by just plain hoping. Thrifty, farsighted people use the tested system of regular savings—ten per cent of earnings. Be a modern prospector. Come in today.
