The Sky Pilot Speaks By Rev. L. C. Des Voigne

My Philosophy of Hope
As the warmth of the sunshine in the Spring draws the beautiful flowers from their cold wintry hiding places, just so does a lively hope serve as a magnet to draw us from the devastating power of discouragement and fear.

Hope brightens our pathway and even thrives in the midst of trails, sorrows and disappointments.

He or she who has no hope is a most miserable person, but that misery will turn to joy when we allow hope to take over and rule our lives. This is what makes the Christian religion so worthwhile and beautiful when an Eternal God draws us away from our unworthy self life to a refuge that is everlasting and secure in Christ.

And they bring you the highest compression ratio of any leading low-priced car. That's why they can deliver a big gain in power, acceleration and all-around performance, along with important gasoline savings!

Come in and put it through any kind of "proving ground" test you care to, and judge its performance for yourself. Your test car's ready now and we hope you are, too.

Year after year more people buy Chevrolets than any other car!
